

**§ 108A-66.1. Medicaid buy-in for workers with disabilities.**

(a) Title. – This section may be cited as the Health Coverage for Workers With Disabilities Act. The Department shall implement a Medicaid buy-in eligibility category as permitted under P.L. 106-170, Ticket to Work and Work Incentives Improvement Act of 1999. The Department shall establish rules, policies, and procedures to implement this act in accordance with this section.

(b) Definitions. – As used in this section, unless the context clearly requires otherwise:

- (1) "FPG" means the federal poverty guidelines.
- (2) "HCWD" means Health Coverage for Workers With Disabilities.
- (3) "SSI" means Supplemental Security Income.
- (4) "Ticket to Work" means the Ticket to Work and Work Incentives Improvement Act of 1999.

(c) Eligibility. – An individual is eligible for HCWD if:

- (1) The individual is at least 16 years of age and is less than 65 years of age;
- (2) The individual meets Social Security Disability criteria, or the individual has been enrolled in HCWD and then becomes medically improved as defined in Ticket to Work and as further specified by the Department. An individual shall be determined to be eligible under this section without regard to the individual's ability to engage in, or actual engagement in, substantial gainful activity as defined in section 223 of the Social Security Act (42 U.S.C. § 423(d)(4)). In conducting annual redetermination of eligibility, the Department may not determine that an individual participating in HCWD is no longer disabled based solely on the individual's participation in employment or earned income;
- (3) The individual's unearned income does not exceed one hundred fifty percent (150%) of FPG, and countable resources for the individual do not exceed the resource limit for the minimum community spouse resource standard under 42 U.S.C. § 1396r, and as further determined by the Department. In determining an individual's countable income and resources, the Department may not consider income or resources that are disregarded under the State Medical Assistance Plan's financial methodology, including the sixty-five-dollar (\$65.00) disregard, impairment-related work expenses, student earned-income exclusions, and other SSI program work incentive income disregards; and
- (4) The individual is engaged in a substantial and reasonable work effort (employed) as provided in this subdivision and as further defined by the Department and allowable under federal law. For purposes of this subsection, "engaged in substantial and reasonable work effort" means all of the following:
  - a. Working in a competitive, inclusive work setting, or self-employed.
  - b. Earning at least the applicable minimum wage.
  - c. Having monthly earnings above the SSI basic sixty-five-dollar (\$65.00) earned-income disregard.
  - d. Being able to provide evidence of paying applicable Medicare, Social Security, and State and federal income taxes.

The Department may impose additional earnings requirements in defining "engaged in substantial and reasonable work effort" for individuals who are eligible for HCWD based on medical improvement.

Individuals who participate in HCWD but thereafter become unemployed for involuntary reasons, including health reasons, shall have continued eligibility in HCWD for up to 12 months from the time of involuntary unemployment, so long as the individual (i) maintains a connection with the workforce, as determined by the Department, (ii) meets all other eligibility criteria for HCWD during the period, and (iii) pays applicable fees, premiums, and co-payments.

(d) Fees, Premiums, and Co-Payments. – Individuals who participate in HCWD and have countable income greater than one hundred fifty percent (150%) of FPG shall pay an annual enrollment fee of fifty dollars (\$50.00) to their county department of social services. Individuals who participate in HCWD and have countable income greater than or equal to two hundred percent (200%) of FPG shall pay a monthly premium in addition to the annual fee. The Department shall set a sliding scale for premiums, which is consistent with applicable federal law. An individual with countable income equal to or greater than four hundred fifty percent (450%) of FPG shall pay not less than one hundred percent (100%) of the cost of the premium, as determined by the Department. The premium shall be based on the experience of all individuals participating in the Medical Assistance Program. Individuals who participate in HCWD are subject to co-payments equal to those required under the Medical Assistance Program.
