

Part 1F. Budgeting; Funds.

§ 115C-111.1. Out-of-state students; eligibility for State funds.

Notwithstanding any policy or rule adopted by the State Board of Education, if a local school administrative unit provides services to a student under a current IEP from another state while a determination is being made regarding the student's eligibility for services as a child with disabilities in North Carolina, the local school administrative unit is entitled to receive State funding to serve the student while the determination is being made. If the student is later determined not to qualify for services in North Carolina, the local school administrative unit is not required to repay State funds received while the determination is being made.
