

§ 115C-167. Visitors to wear eye safety devices.

Visitors to shops and laboratories subject to the requirements of G.S. 115C-166 shall be furnished with and required to wear industrial-quality eye protective devices while instructional or experimental programs are in progress. (1977, c. 1050, s. 2; 1981, c. 423, s. 1; 2017-57, s. 7.23H(e).)
