

**§ 160D-602. Notice of hearing on proposed zoning map amendments.**

(a) Mailed Notice. – Subject to the limitations of this Chapter, an ordinance shall provide for the manner in which zoning regulations and the boundaries of zoning districts are to be determined, established, and enforced, and from time to time amended, supplemented, or changed, in accordance with the provisions of this Chapter. The owners of affected parcels of land and the owners of all parcels of land abutting that parcel of land shall be mailed a notice of the hearing on a proposed zoning map amendment by first-class mail at the last addresses listed for such owners on the county tax abstracts. For the purpose of this section, properties are "abutting" even if separated by a street, railroad, or other transportation corridor. This notice must be deposited in the mail at least 10 but not more than 25 days prior to the date of the hearing. If the zoning map amendment is being proposed in conjunction with an expansion of municipal extraterritorial planning and development regulation jurisdiction under G.S. 160D-202, a single hearing on the zoning map amendment and the boundary amendment may be held. In this instance, the initial notice of the zoning map amendment hearing may be combined with the boundary hearing notice and the combined hearing notice mailed at least 30 days prior to the hearing.

(b) Optional Notice for Large-Scale Zoning Map Amendments. – The first-class mail notice required under subsection (a) of this section is not required if the zoning map amendment proposes to change the zoning designation of more than 50 properties, owned by at least 50 different property owners, and the local government elects to use the expanded published notice provided for in this subsection. In this instance, a local government may elect to make the mailed notice provided for in subsection (a) of this section or, as an alternative, elect to publish notice of the hearing as required by G.S. 160D-601, provided that each advertisement shall not be less than one-half of a newspaper page in size. The advertisement is effective only for property owners who reside in the area of general circulation of the newspaper that publishes the notice. Property owners who reside outside of the newspaper circulation area, according to the address listed on the most recent property tax listing for the affected property, shall be notified according to the provisions of subsection (a) of this section.

(c) Posted Notice. – When a zoning map amendment is proposed, the local government shall prominently post a notice of the hearing on the site proposed for the amendment or on an adjacent public street or highway right-of-way. The notice shall be posted within the same time period specified for mailed notices of the hearing. When multiple parcels are included within a proposed zoning map amendment, a posting on each individual parcel is not required but the local government shall post sufficient notices to provide reasonable notice to interested persons.

(d) Repealed by Session Laws 2020-25, s. 13, effective June 19, 2020.

(e) Optional Communication Requirements. – When a zoning map amendment is proposed, a zoning regulation may require communication by the person proposing the map amendment to neighboring property owners and residents and may require the person proposing the zoning map amendment to report on any communication with neighboring property owners and residents. (2019-111, s. 2.4; 2020-3, s. 4.33(a); 2020-25, ss. 13, 50(a), 51(a), (b), (d).)
