

§ 168A-2. Statement of purpose.

(a) The purpose of this Chapter is to ensure equality of opportunity, to promote independent living, self-determination, and economic self-sufficiency, and to encourage and enable all persons with disabilities to participate fully to the maximum extent of their abilities in the social and economic life of the State, to engage in remunerative employment, to use available public accommodations and public services, and to otherwise pursue their rights and privileges as inhabitants of this State.

(b) The General Assembly finds that: the practice of discrimination based upon a disabling condition is contrary to the public interest and to the principles of freedom and equality of opportunity; the practice of discrimination on the basis of a disabling condition threatens the rights and proper privileges of the inhabitants of this State; and such discrimination results in a failure to realize the productive capacity of individuals to their fullest extent.
