11 Section 2. G.S. 163-227.2 reads as rewritten:

12 **"§ 163-227.2. Alternate procedures for requesting application for absentee ballot;**  
13 **'one-stop' voting procedure in board office.**

14 (a) A person expecting to be absent from the county in which he is registered  
15 during the entire period that the polls are open on the day of an election in which  
16 absentee ballots are authorized or is eligible under G.S. 163-226(a)(2), 163-226(a)(3a), or  
17 163-226(a)(4) may request an application for absentee ballots, complete the application,  
18 receive the absentee ballots, vote and deliver them sealed in a container-return envelope  
19 to the county board of elections in the county in which he is registered under the  
20 provisions of this section.

21 (b) Not earlier than the ~~twenty-fourth day~~ first business day after the twenty-fifth  
22 day before an election, in which absentee ballots are authorized, in which he seeks to vote  
23 and not later than 5:00 P.M. on the Friday prior to that election, the voter shall appear in  
24 person only at the office of the county board of elections and request that the chairman, a  
25 member, or the director of elections of the board, or an employee of the board of  
26 elections, authorized by the board, furnish him with an application form as specified in  
27 G.S. 163-227. The voter shall complete the application in the presence of the chairman,  
28 member, director of elections or authorized employee of the board, and shall deliver the  
29 application to that person.

30 (c) If the application is properly filled out, the chairman, member, director of  
31 elections of the board, or employee of the board of elections, authorized by the board,  
32 shall enter the voter's name in the register of absentee ballot applications and ballots  
33 issued; shall furnish the voter with the instruction sheets called for by G.S. 163-229(c);  
34 shall furnish the voter with the ballots to which the application for absentee ballots  
35 applies; and shall furnish the voter with a container-return envelope. The voter thereupon  
36 shall comply with the provisions of G.S. 163-231(a) except that he shall deliver the  
37 container-return envelope to the chairman, member, director of elections of the board, or  
38 an employee of the board of elections, authorized by the board, immediately after making  
39 and subscribing the certificate printed on the container-return envelope as provided in  
40 G.S. 163-229(b). All actions required by this subsection shall be performed in the office  
41 of the board of elections. For the purposes of this section only, the chairman, member,  
42 director of elections of the board, or full-time employee, authorized by the board shall  
43 sign the application and certificate as the witness and indicate the official title held by

1 him or her. Notwithstanding G.S. 163-231(a), in the case of this subsection, only one  
2 witness shall be required on the certificate.

3 (d) Only the chairman, member or director of elections of the board shall keep the  
4 voter's application for absentee ballots and the sealed container-return envelope in a safe  
5 place, separate and apart from other applications and container-return envelopes. At the  
6 first meeting of the board pursuant to G.S. 163-230(2) held after receipt of the application  
7 and envelope, the chairman shall comply with the requirements of G.S. 163-230(1) and  
8 G.S. 163-230(2)b. and c. If the voter's application for absentee ballots is approved by the  
9 board at that meeting, the application form and container-return envelope, with the ballots  
10 enclosed, shall be handled in the same manner and under the same provisions of law as  
11 applications and container-return envelopes received by the board under other provisions  
12 of this Article. If the voter's application for absentee ballots is disapproved by the board,  
13 the board shall so notify the voter stating the reason for disapproval by first-class mail  
14 addressed to the voter at his residence address or at the address shown in the application  
15 for absentee ballots; and the board chairman shall retain the container-return envelope in  
16 its unopened condition until the day of the primary or election to which it relates and on  
17 that day he shall destroy the container-return envelope and the ballots therein, without,  
18 however, revealing the manner in which the voter marked the ballots.

19 (e) The voter shall vote his absentee ballot in a voting booth and the county board  
20 of elections shall provide a voting booth for that purpose, provided however, that the  
21 county board of elections may in the alternative provide a private room for the voter  
22 adjacent to the office of the board, in which case the voter shall vote his absentee ballot in  
23 that room. The voting booth shall be in the office of the county board of elections. If the  
24 voter needs assistance in getting to and from the voting booth and in preparing and  
25 marking his ballots or if he is a blind voter, only a member of the county board of  
26 elections, the director of elections, an employee of the board of elections authorized by  
27 the board, a near relative of the voter as defined in G.S. 163-227(c)(4), or the voter's legal  
28 guardian shall be entitled to assist the voter.

29 (e1) If a county uses a voting system with retrievable ballots, that county's board of  
30 elections may by resolution elect to conduct one-stop absentee voting according to the  
31 provisions of this subsection. In a county in which the board has opted to do so, a one-  
32 stop voter shall cast the ballot and then shall deposit the ballot in the ballot box or voting  
33 system in the same manner as if such box or system was in use in a precinct on election  
34 day. At the end of each business day, or at any time when there will be no employee or  
35 officer of the board of elections on the premises, the ballot box or system shall be secured  
36 in accordance with a plan approved by the State Board of Elections, which shall include  
37 that no additional ballots have been placed in the box or system. Any county board  
38 desiring to conduct one-stop voting according to this subsection shall submit a plan for  
39 doing so to the State Board of Elections. The State Board shall adopt standards for  
40 conducting one-stop voting under this subsection and shall approve any county plan that  
41 adheres to its standards. The county board shall adhere to its State Board-approved plan.  
42 The plan shall provide that each one-stop ballot shall have a ballot number on it in  
43 accordance with G.S. 163-230(3)a., or shall have an equivalent identifier to allow for

1 retrievability. The standards shall address retrievability in one-stop voting on direct  
2 record electronic equipment where no paper ballot is used.

3 (f) Notwithstanding the exception specified in G.S. 163-36, counties which  
4 operate a modified full-time office shall remain open five days each week during regular  
5 business hours consistent with daily hours presently observed by the county board of  
6 elections, commencing with the date prescribed in G.S. 163-227.2(b) and continuing until  
7 5:00 P.M. on the Friday prior to that election or primary. The boards of county  
8 commissioners shall provide necessary funds for the additional operation of the office  
9 during such time."

10 Section 3. This act is effective when it becomes law.
