A BILL TO BE ENTITLED

AN ACT TO AMEND THE PROVISIONS OF THE WINSTON-SALEM FIREMEN'S  
RETIREMENT FUND.

The General Assembly of North Carolina enacts:

**SECTION 1.** Sections 1 through 32 of Chapter 388 of the 1973 Session Laws, as amended by Chapter 15 of the 1977 Session Laws, Chapter 284 of the 1979 Session Laws, Chapter 647 of the 1981 Session Laws, Chapter 464 of the 1983 Session Laws, Chapter 508 of the 1987 Session Laws, Chapter 793 of the 1989 Session Laws, S.L. 1998-92, S.L. 2003-35, S.L. 2006-121, and S.L. 2008-98, read as rewritten:

"**Sec. 1.** That the name of the Association herein established shall be Winston-Salem Firemen's Retirement Fund Association, hereinafter referred to as the Association. References to the Association as of a date prior to April 3, 1979, and following July 1, 1973, shall mean the Winston-Salem Fire-Public Safety Retirement Fund Association, which was the name of the Association during such period.

"**Sec. 2.** Subject to the provisions of Section 16 hereof, the following persons shall automatically be members of the Association:

(a) As of July 1, 1987, any person who was a member of the Association following the close of business of the Association immediately preceding such date.

(b) As of July 1, 1987, and thereafter, any person not covered under (a) above who shall have been regularly and continuously employed full time by the Fire Department of the City of Winston-Salem (hereinafter referred to as the Fire Department), including any Fire Department mechanic or electrician, who shall have attained his 18th birthday and shall not have attained his 40th birthday. Any person not covered under (a) above who was hired by the Fire Department prior to July 1, 1987, and continues to be employed by the Fire Department on such date, and who had attained his 30th birthday when hired but had not then attained his 40th birthday, may elect within 90 days following July 1, 1987, to become a member by contributing to the Association the sum of twelve dollars (\$12.00) per month from his date of hire by the Fire Department, plus interest at the rate of eight percent (8%), applicable to any payments made on and after July 1, 1989, per annum, computed on the amount accrued as of the end of each fiscal year of the Association.

(c) Notwithstanding the provisions of subsection (b) immediately preceding, as a condition to any person's becoming a member of the Association pursuant to the provisions of subsection 2(b) or 16(a), the Trustees may require such person to undergo a physical examination by a physician or physicians of good standing or repute selected by the Trustees. If it shall be found from such physician's report that such person is not in good physical or mental

1 condition as of the date he would be eligible to become a member of the Association, such  
2 person shall be denied membership in the Association. The determinations of whether or not  
3 such person shall be required to undergo a physical examination and whether or not he is in  
4 good physical or mental condition shall be made by the Trustees. In making such  
5 determinations, all persons similarly situated shall be treated alike. The cost of any medical  
6 examination required pursuant to the provisions of this subsection (c) shall be borne by the  
7 person seeking membership in the Association.

8 "Sec. 3. The Association may provide and raise funds in any legal manner to be used as a  
9 pension fund for such person or persons as may be entitled thereto under the provisions of this  
10 act and to such extent as is hereinafter set out.

11 "Sec. 4. The governing body of the Association shall consist of a Board of Trustees seven  
12 in number, four from the active membership of the Fire Department, two retired members of  
13 the Fire Department, and one to be appointed by the Insurance Commissioner of the State of  
14 North Carolina.

15 "Sec. 5. The Trustees from the membership of the Fire Department shall be elected by the  
16 members of the Fire Department for four-year terms. Such terms shall be staggered, so that two  
17 of the Trustees shall be elected during the month of January of each year divisible evenly by  
18 two. Trustees that are slated to leave the Board are automatically candidates for reelection  
19 unless they choose not to serve another term. In addition, the elected Association Trustees shall  
20 select from the members of the Fire Department four members in good standing, each of whom  
21 continuously served in the Fire Department for a period of at least four years. A general  
22 election shall then be held by the membership of the Fire Department to elect from the list of  
23 candidates two Trustees to serve a four-year term. Each member of the Fire Department in  
24 good standing may cast two votes for the member's choice of nominees. The nominee receiving  
25 the highest number of votes in the election will be a member of the Winston-Salem Firemen's  
26 Relief Fund Board as well as the Association Board. In the event that a Trustee is unable to  
27 complete the Trustee's term, the nominee receiving the next highest number of votes in the last  
28 election held and who is not then serving as a Trustee shall complete the unexpired term of the  
29 Trustee who resigned from the Board. A tie shall be resolved by casting lots. The Trustees who  
30 are retired members of the Fire Department shall be appointed for four-year terms by the  
31 Trustees who are active members of the Fire Department.

32 "Sec. 6. Any Trustee may resign at any time by giving notice in writing to the other  
33 Trustees. Should any Trustee who is a member of the Fire Department cease to be a member of  
34 the Fire Department for any reason, he shall automatically cease to be a Trustee. With regard to  
35 any Trustee elected by the members of the Association who resigns or ceases to be a Trustee  
36 for any reason, his successor shall be elected as provided in Section 5 of this act. Should the  
37 Trustee who was appointed by the Insurance Commissioner of the State of North Carolina  
38 resign or cease to be a Trustee for any reason, his successor shall be appointed by the said  
39 Insurance Commissioner. Should any Trustee who is a retired member of the Fire Department  
40 resign or cease to be a Trustee for any reason, that Trustee's successor shall be appointed by the  
41 Trustees who are active members of the Fire Department as provided in Section 5 of this act.

42 "Sec. 7. The Board of Trustees is herein fully vested with the exclusive right and authority  
43 to pay out the funds of this Association, as provided for in this act. All matters and claims  
44 provided for under this act shall be passed upon by said Trustees and all decisions and actions  
45 of said Trustees shall be binding upon the Association and the members thereof. Every Trustee  
46 shall be entitled to one vote except the chairman of the Board of Trustees, who shall be entitled  
47 to vote only to break a tie. At every annual meeting of the Board of Trustees, the Trustees shall  
48 elect a chairman, vice-chairman, secretary and treasurer. The secretary and treasurer need not  
49 be Trustees, and the offices of secretary and treasurer may be combined into a single office, in  
50 the discretion of the Trustees. The annual meeting of the Board of Trustees shall be held as

1 soon as is practicable following the end of each calendar year at such place and at such time as  
2 shall be determined by the Trustees.

3 **"Sec. 8.** As of September 1, 2001, the secretary of the Association (or the  
4 secretary-treasurer if such offices shall be combined into a single office) shall be entitled to  
5 receive monthly compensation in an amount to be determined each year by the Trustees. The  
6 Trustees, as such, including the chairman and the vice-chairman, shall serve without  
7 compensation. The Trustees may authorize reimbursement by the Association to any officer or  
8 Trustee of the Association for all expenses incurred by such person in connection with services  
9 rendered in behalf of the Association.

10 **"Sec. 9.** The Trustees shall elect a custodian of all funds and property of the Association,  
11 provided that such custodian shall have first offered proof satisfactory to the Trustees, by bond  
12 or otherwise, that it is and will be financially responsible for all property coming into its hands  
13 in a fiduciary capacity. Said custodian shall not release any of the funds or property of the  
14 Association for reasons other than investment of such funds or property except upon the written  
15 authorization of the Trustees.

16 The Trustees shall also elect an investment manager who may or may not be the same  
17 person as the custodian. Any such investment manager shall be a bank, or an insurance  
18 company, or an entity registered under the Investment Advisor's Act of 1940. The investment  
19 manager shall be authorized to invest and reinvest the funds or property of the Association in  
20 the investment manager's own judgment and discretion. The investment manager shall report to  
21 the Trustees on a periodic basis, but not less frequently than each calendar quarter. The  
22 investment manager (including said custodian when acting as investment manager) shall not be  
23 liable to the Association for any act of failure to act by it, except for gross negligence or willful  
24 misconduct.

25 **"Sec. 10.** A special meeting of the Board of Trustees may be called by the chairman or  
26 vice-chairman, or by any two Trustees, upon 24 hours' written notice delivered in person to the  
27 members of said Board or mailed to the last known address of each member of said Board. A  
28 majority of the Trustees in office shall constitute a quorum at any meeting and a majority vote  
29 of the Trustees at a meeting at which a quorum is present shall constitute action by the  
30 Trustees.

31 **"Sec. 11.** The chairman of the Board of Trustees, when present, shall preside at all  
32 meetings. In the absence of the chairman, the vice-chairman shall act as chairman.

33 **"Sec. 12.** The secretary shall keep in complete form such data as shall be necessary for  
34 actuarial valuation of the funds of the Association and for checking the disbursements for and  
35 on behalf of the Association. He shall keep minutes of all proceedings of the Board of Trustees  
36 and of the Association, and the same shall be kept in a place selected by the Trustees. The  
37 treasurer of the Association shall post yearly at each fire station and at the office of fire  
38 administration, as soon as practicable following the end of each year, a financial statement of  
39 the Association.

40 **"Sec. 13.** The treasurer of the Association shall deposit with the custodian all funds and  
41 property that may come into his hands for the Association. The said treasurer shall obtain a  
42 receipt from the custodian for all funds and property delivered to the custodian by the treasurer.  
43 Said custodian shall invest and reinvest such funds and property as directed by the investment  
44 manager appointed under Section 9. Notwithstanding any contrary provisions of Section 9 or of  
45 this section, the Trustees are specifically authorized and empowered to invest funds of the  
46 Association by depositing such funds with the Winston-Salem Firemen's Credit Union on  
47 condition that the Association shall receive interest at an annual rate agreed upon by the  
48 Association and such credit union.

49 **"Sec. 14.** The custodian and the investment manager shall receive compensation for  
50 services rendered as may be agreed upon from time to time in writing by the Trustees and by  
51 the custodian (with respect to services rendered by the custodian) or the investment manager

1 (with respect to services rendered by the investment manager). The Trustees shall have the  
2 authority to employ legal counsel when, in the opinion of the Trustees, legal counsel is  
3 necessary. In case of such employment, said counsel shall be paid such fees as may be fair and  
4 reasonable as agreed upon in writing by the Trustees and the counsel so employed.

5 **"Sec. 15.** On or before August 31, 1987, the Board of Trustees of the Winston-Salem  
6 Firemen's Relief Fund shall transfer to the Board of Trustees of the Winston-Salem Firemen's  
7 Retirement Fund Association out of properties and funds belonging to the Winston-Salem  
8 Firemen's Relief Fund the sum of fifty-four thousand dollars (\$54,000) in cash or assets. The  
9 assets so transferred pursuant to the immediately preceding sentence shall be transferred upon  
10 the basis of the fair market value thereof as of the date of transfer, and the particular assets to  
11 be transferred shall be determined by joint action of the Board of Trustees of the  
12 Winston-Salem Firemen's Relief Fund and the Board of Trustees of the Winston-Salem  
13 Firemen's Retirement Fund Association. All property of the Association is hereby relieved from  
14 any and all claims of the persons entitled to relief from the Winston-Salem Firemen's Relief  
15 Fund. The North Carolina Firemen's Association, its officers, members, boards and committees,  
16 are also hereby relieved of any claim of any kind whatsoever which may be based on past  
17 service, present service or future service in the Winston-Salem Fire Department. The  
18 Winston-Salem Firemen's Relief Fund and the officers, members, boards and committees of  
19 said Fund, are also hereby relieved of any claim of any kind whatsoever which may be based  
20 on past, present or future service in the Winston-Salem Fire Department, if any, so long as any  
21 claimant is entitled to benefits or pension under the provisions of this act.

22 **"Sec. 16.** (a) Notwithstanding the provisions of subsection (b) immediately following, if a  
23 person who shall not be a member of the Association shall be transferred to the employment of  
24 the Fire Department from the employment of the City of Winston-Salem (hereinafter referred  
25 to as the City), the following provisions shall apply in determining whether he shall be a  
26 member of the Association following such transfer:

27 (1) If he shall have attained at least his 18th birthday and shall not have attained  
28 his 40th birthday on the date of such transfer, he shall automatically become  
29 a member on such date of transfer. In determining such transferred  
30 employee's number of years of continuous employment by the City,  
31 employment with the City prior to such transfer shall be taken into account  
32 only if such employee shall elect to contribute to the Association the sum of  
33 (i) plus (ii) plus (iii), where (i) is the amount of twelve dollars (\$12.00) per  
34 month, measured from the date of his hire by the City until earlier of the date  
35 of such transfer and June 30, 1998; (ii) is the aggregate amount that the  
36 person would have contributed, determined in accordance with Section 17 of  
37 this act, measured from July 1, 1998, until the date of the transfer, if the  
38 transfer occurs on or after July 1, 1998; and (iii) is interest accrued at the rate  
39 of eight percent (8%) with respect to any payments made on and after July 1,  
40 1989, per annum, compounded annually on the amount accrued as of the end  
41 of each fiscal year of the Association.

42 (2) If he shall have attained at least his 40th birthday on the date of transfer, but  
43 had not attained such birthday when last employed by the City, he may elect  
44 within 90 days following such transfer to become a member. If he elects to  
45 become a member, he shall contribute to the Association the amount he  
46 would have contributed if he had become a member on the day next  
47 preceding his 40th birthday. In addition, at the option of such employee, he  
48 may further elect to contribute such additional amount as he would have  
49 contributed prior to his 40th birthday if his employment with the City had  
50 been with the Fire Department. Any such contributions shall include interest  
51 at the rate of eight percent (8%), applicable to any payments made on and

1 after July 1, 1989, per annum, computed on the amount accrued as of the end  
2 of each fiscal year of the Association.

3 (3) If he shall have attained at least his 40th birthday when last employed by the  
4 City, he shall be ineligible to become a member following such transfer.

5 (4) The elections specified in subdivisions (1) and (2) hereof shall be made in  
6 writing to the Trustees within 90 days following such transfer, and shall be  
7 irrevocable when made (subject to termination of membership upon  
8 subsequent separation from employment with the Fire Department). Any  
9 contributions (and interest) payable pursuant to such election shall be paid in  
10 cash in a lump sum at the time such election shall be filed.

11 (b) Notwithstanding the provisions of subsection (a) of Section 2 hereof, as soon as  
12 practicable following April 3, 1979, (but in no event more than 60 days thereafter), the Trustees  
13 gave each person who was then employed by the City of Winston-Salem as a Public Safety  
14 Officer an election to be a member or not to be a member of the Association. Each such  
15 election was to be made in accordance with procedures established by the Trustees and was  
16 irrevocable when made (subject to termination of membership upon a subsequent separation  
17 from the employment of the City, and subject to the provisions of subsection (a) of this Section  
18 16). If a Public Safety Officer failed to file a timely election, he was deemed to have elected not  
19 to be a member. If a Public Safety Officer who was a member on the date of the election  
20 elected to discontinue membership (or shall have been deemed to have so elected), within 30  
21 days following such date there should have been refunded to him the full amount of his prior  
22 contributions to the Association, if any, without interest. If a Public Safety Officer who failed  
23 to make contributions prior to the election date elected to be a member, he shall have within 30  
24 days following such election paid to the Association the full amount he would have contributed  
25 if he had made required contributions during the entire period that he was eligible to be a  
26 member. Such contributions included interest at the rate of six percent (6%) per annum,  
27 computed on the amount accrued as of the end of each fiscal year of the Association.

28 (c) Any member whose employment by the Fire Department as a Public Safety Officer  
29 shall be terminated on or after June 27, 1981, for any reason, including transfer to another  
30 department in the employment of the City, shall be terminated immediately as a member;  
31 provided, that any member who is transferred on or after July 1, 1981, to another department of  
32 the City in a fire-related job shall not become a terminated member if the following conditions  
33 are met: (i) within 15 days following the date of such transfer he shall file with the Trustees a  
34 written election to continue as a member; and (ii) such member shall be notified in writing by  
35 the secretary of the Association on or before the date of transfer of his right to make the  
36 election. If a terminated member shall reenter employment of the Fire Department, his  
37 eligibility to become a member shall be determined at that time in accordance with Section 2  
38 hereof, except to the extent such individual may be entitled to elect to become a member upon a  
39 transfer of employment as provided in subsection (a) of this Section 16.

40 (d) In determining the number of years of continuous employment of a member, there  
41 shall be taken into account all years for which he shall make contributions in accordance with  
42 subsection (a) or (e) of this Section 16 or Section 19. For purposes of computing a member's  
43 years of continuous employment with the City, any period of unused sick leave with the Fire  
44 Department accrued by the member on the date of his retirement shall be deemed to be a period  
45 of continuous employment with the Fire Department.

46 (e) If any member of the Association was employed by the Fire Department as a cadet,  
47 such member's number of years of employment as a cadet may be added to the period of his  
48 continuous employment with the City if, by July 31, 1981, such member contributed to the  
49 Association an amount equal to twelve dollars (\$12.00) per month for the time he was a cadet,  
50 plus interest at the rate of six percent (6%) per annum, computed on the amount accrued as of  
51 the end of each fiscal year of the Association.

1 (f) If a member has been employed by the City continuously for a period of 10 years  
2 and has any military service, and is not otherwise treated under Section 26 as being in the  
3 employment of the City during the period of such military service, the period of such military  
4 service shall nevertheless be added to his period of continuous employment with the City upon  
5 such member's paying to the Association an amount equal to twelve dollars (\$12.00) for each  
6 month of such military service plus interest at the rate of eight percent (8%), applicable to any  
7 payments made on and after July 1, 1989, per annum, compounded annually. Such military  
8 service shall be limited to the initial period of active duty in the armed forces of the United  
9 States up to the time the member was first eligible to be separated or released therefrom, and  
10 subsequent periods of such active duty as required by the armed forces of the United States up  
11 to the date of first eligibility for separation or release therefrom. The member must submit  
12 evidence satisfactory to the Trustees of the military service claimed. Such election must be  
13 made within one year after the member first becomes eligible to contribute for such military  
14 service. Credit for military service under this subsection shall not be considered service  
15 creditable under another retirement system for purposes of G.S. 128-26(a).

16 (g) If an individual who is an active participant in the North Carolina Local  
17 Governmental Employees' Retirement System (the 'System') shall terminate service with the  
18 employer enabling the individual to participate in the System (the 'System Employer'), and  
19 shall immediately enter the employment of the Fire Department, he may elect to have his  
20 period of service under the System considered as continuous employment with the Fire  
21 Department for purposes of this act; provided, that such election shall be permitted only if the  
22 individual was under age 40 when he entered the employment of the System Employer. This  
23 election shall be made in writing to the Trustees within 90 days of the individual's  
24 commencement of employment with the Fire Department (or, with respect to an individual who  
25 becomes employed by the Fire Department prior to July 1, 1989, this election shall be made on  
26 or before September 30, 1989). The election, if made, shall be accompanied by a cash  
27 contribution to the Association equal to the sum of (i) plus (ii) plus (iii), where (i) is the amount  
28 of twelve dollars (\$12.00) per month measured from the date of the person's hiring by the City  
29 until the earlier of the transfer and June 30, 1998; (ii) is the aggregate amount that the person  
30 would have contributed, determined in accordance with Section 17 of this act, measured from  
31 July 1, 1998, until the date of the transfer, if the transfer occurs on or after July 1, 1998; and  
32 (iii) is interest accrued at the rate of eight percent (8%) per annum, compounded annually on  
33 the amount accrued as of the end of each fiscal year of the Association. The election shall be  
34 irrevocable when made. If the election is not made in a timely fashion, the right to make the  
35 election is forfeited.

36 "Sec. 17. The Treasurer of the City shall make a deduction from the salary of each member  
37 of the Association due him by the City. As of ~~September 1, 2001~~, July 1, 2011, the amount of  
38 each such deduction shall be determined as of the first day of each payroll period of the City,  
39 and shall be equal to the ~~quotient (rounded up to the next whole dollar amount) obtained by~~  
40 ~~dividing (i) the product, rounded to the nearest dollar, of .007 multiplied by the annual starting~~  
41 ~~salary of a firefighter employed by the Fire Department in effect at the beginning of that payroll~~  
42 ~~period; by (ii) the number of payroll periods in that fiscal year of the City.~~ amount determined  
43 by the Trustees acting upon the advice of the Association's actuary. The amount so deducted  
44 shall be turned over as soon as practicable after the applicable payroll period by the said  
45 Treasurer to the custodian of the Association as hereinbefore provided, and the Association  
46 shall have the authority to accept donations from any and all sources whatsoever.

47 "Sec. 18. If at any time there shall not be sufficient assets in the retirement fund of the  
48 Association to pay fully the persons entitled to benefits provided herein, such persons shall be  
49 paid such benefits on a pro rata basis to the extent the assets of such fund will allow, as shall be  
50 determined by the Trustees acting upon the advice of the Association's actuary. Effective on or  
51 after July 1, 1998, the Trustees shall obtain a written report from the Association's actuary as of

1 July 1 of each year evenly divisible by two, or more frequently if the Trustees deem advisable,  
 2 setting forth the present value of the assets of the fund and the present value of current  
 3 liabilities of current retirees.

4 **"Sec. 19.** (a) Whenever any member of the Association has been employed by the City  
 5 continuously for a period of at least 30 years, such member may make written application to the  
 6 trustees for his normal retirement benefit, and whenever any member of the Association has  
 7 been employed by the City continuously for a period of at least 25 years but not more than 30  
 8 years, such member may make written application to the Trustees for his early retirement  
 9 benefit; provided, however, that such member must retire from the service of the City to  
 10 receive such benefits. The normal and early retirement benefits of such member shall be a  
 11 monthly pension for the remainder of his life, as provided herein below. For this purpose and  
 12 for the purpose of Section 20 hereof, a member shall be deemed to have been employed by the  
 13 City continuously if such member shall have been employed continuously by any combination  
 14 of the Fire Department or Police Department (but only such employment by the Police  
 15 Department as is described in subsection 16(b) and (c) hereof), and the transfer of a member  
 16 from the employ of one of such organizations to the employ of the other such organization shall  
 17 not be deemed to be a termination of employment by the City. Provided, that if a member has at  
 18 least 25 years of employment with the City, but such service is not continuous solely because  
 19 of a leave of absence lasting not more than a year and not described in Section 26, such  
 20 member shall be deemed to have continuous employment with the City during such leave of  
 21 absence; and provided further, that if a member has less than 25 years of employment with the  
 22 City but the sum of his years of employment with the City plus any leave of absence lasting not  
 23 more than one year and not described in Section 26, equals or exceeds 25 years, the period of  
 24 such leave shall be deemed to be continuous employment with the City if such member  
 25 contributes to the Association twelve dollars (\$12.00) for each month he was on such leave,  
 26 plus interest at the rate of eight percent (8%), applicable to any payments made on and after  
 27 July 1, 1989, per annum, computed on the amount accrued as of the end of each fiscal year of  
 28 the Association.

29 (b) Effective beginning July 1, 1989, and ending June 30, 1990, the amount of the  
 30 monthly pension for each member who is entitled to receive a normal retirement benefit  
 31 (including members who retired prior to July 1, 1989) shall be two hundred dollars (\$200.00).  
 32 Effective beginning July 1, 1990, and ending June 30, 1998, the amount of the monthly pension  
 33 for each member who is entitled to receive a normal retirement benefit, including members  
 34 who retired prior to July 1, 1990, shall be two hundred fifteen dollars (\$215.00). Effective on  
 35 and after July 1, 1998, the amount of the monthly pension for each member who is entitled to  
 36 receive a normal retirement benefit (including members who retired prior to that date) shall be  
 37 two hundred five dollars (\$205.00). The amount of the monthly pension for each member who  
 38 is entitled to receive an early retirement benefit as of any date prior to July 1, 1998, shall be the  
 39 product of (1) and (2), where (1) is the applicable percentage listed in the following table based  
 40 on his years of continuous employment at his early retirement date, and (2) is the amount of the  
 41 payment that he would have received as a normal retirement benefit under this section as of that  
 42 date:

44 Years of Employment at	Percentage of Normal
45 Retirement Date	Retirement Benefit
46 25	85%
47 26	88%
48 27	91%
49 28	94%
50 29	97%

1 Effective on and after July 1, 1998, the amount of the monthly pension for each member who  
 2 began receiving an early retirement benefit prior to July 1, 1998, shall be further reduced by  
 3 multiplying the monthly pension amount by 0.9535.

4 (c) Effective on and after July 1, 1998, the amount of the monthly pension of each  
 5 member who retires on or after that date and is entitled to receive an early retirement benefit  
 6 shall be the product of (1) the applicable percentage listed in the following table based on  
 7 the member's years of continuous employment at the member's early retirement date, and (2)  
 8 the amount of the payment that the member would have received as a normal retirement benefit  
 9 under this section as of that date:

11 Years of Employment at	Percentage of Normal

14 25	70%
15 26	76%
16 27	82%
17 28	88%
18 29	94%

19 Payment shall be subject to the provisions of Section 18 of this act. Section 16(d) governs the  
 20 determinations of a member's years of continuous employment.

21 (d) Any benefit payable to a member pursuant to this Section 19 shall commence not  
 22 later than the April 1 immediately following the calendar year in which the member attains age  
 23 70 and 1/2 or, if later, the April 1 immediately following the calendar year in which the  
 24 member retires from the service of the City. Additionally, the distribution of any such benefit  
 25 shall be made in accordance with the requirements of section 401(a) of the Internal Revenue  
 26 Code, including the minimum distribution incidental benefit requirement of section  
 27 1.401(a)(9)-2 of the Treasury Regulations, which are incorporated herein by reference. With  
 28 respect to distributions made for the calendar years beginning on or after January 1, 2001, the  
 29 act will apply the minimum distribution requirements of section 401(a)(9) of the Internal  
 30 Revenue Code in accordance with the regulations under section 401(a)(9) of the Internal  
 31 Revenue Code that were proposed on January 17, 2001, notwithstanding any provision of the  
 32 act to the contrary. This amendment shall continue in effect until the end of the last calendar  
 33 year beginning before the effective date of final regulations under section 401(a)(9) of the  
 34 Internal Revenue Code or such other date as may be specified in guidance published by the  
 35 Internal Revenue Service.

36 (e) Notwithstanding any provision in this Section 19 to the contrary, effective as of  
 37 December 12, 1994, the act shall at all times be construed and enforced according to the  
 38 requirements of the Uniformed Services Employment and Reemployment Rights Act of 1994.

39 **"Sec. 20.** Whenever any member of the Association becomes totally and permanently  
 40 unable, because of infirmity or disease affecting mind or body (whether or not induced by  
 41 injury) to perform his duties for the City, which inability shall be determined by a medical  
 42 examination by a physician or physicians of good standing and repute selected by the Trustees,  
 43 he shall be deemed to be a disabled member. If a disabled member has been employed by the  
 44 City for at least five full years prior to suffering disability, he shall be entitled to retire and  
 45 receive a monthly benefit payable for the remainder of his life.

46 Effective beginning July 1, 1989, and ending June 30, 1990, the monthly benefit of a  
 47 member who retires as a disabled member (including a member who retired as a disabled  
 48 member prior to July 1, 1989) shall equal eight dollars (\$8.00) times his years of service but in  
 49 no event more than two hundred dollars (\$200.00) per month. Effective beginning July 1, 1990,  
 50 and ending June 30, 1998, the monthly benefit of a member (including a member who retires as  
 51 a disabled member prior to this date) shall equal eight dollars and sixty cents (\$8.60) times his

1 years of service, but in no event more than two hundred fifteen dollars (\$215.00) per month.  
2 Effective on and after July 1, 1998, the monthly benefit of a member who retires as a disabled  
3 member, including a member who retires as a disabled member prior to July 1, 1998, shall  
4 equal eight dollars and twenty cents (\$8.20) times his years of service, but in no event more  
5 than two hundred five dollars (\$205.00) per month. For this purpose only, years of service shall  
6 mean the number of his earned years of service in the employment of the City (as determined  
7 pursuant to Section 16(d) of this act). Payments shall be subject to the provisions of Section 18  
8 of this act.

9 Notwithstanding the foregoing provisions of this Section 20, in the case of a disabled  
10 member whose disability shall arise out of injuries incurred in fire safety activities, such as fire  
11 fighting, fire training and fire inspection, such monthly benefit shall in no event be less than  
12 forty dollars (\$40.00) per month, whether or not such disabled member was employed by the  
13 City for at least five years prior to suffering such disability. The determination of whether such  
14 disability arises out of injuries incurred in fire safety activities shall be made by the Trustees.

15 **"Sec. 21.** Any disabled member of the Association who retires under Section 19 hereof and  
16 who had not been employed by the City for a period of at least 30 years prior to retirement,  
17 shall be subject to call by the Trustees for reexamination by a physician of good standing and  
18 repute selected by the Trustees and, if based upon such examination it is determined by the  
19 Trustees that such member is able to perform active duties for the City, such member may be  
20 reinstated and receive for his services the same compensation paid to other employees of the  
21 City of his rank or classification. If such member, upon being called by the Trustees, shall  
22 refuse to submit to an examination or shall refuse to be reinstated to active duty in the employ  
23 of the City after being found to be able to perform active duty, such benefits as he is then  
24 receiving under the provisions of this act shall immediately terminate and his membership in  
25 this Association shall automatically terminate. But in the event that such member is physically  
26 unable to resume active employment, or in the event he is able and willing to resume active  
27 employment but no job with the City is open for him at such time, his pension or compensation  
28 shall continue until there shall be an opening for such member and he is reemployed by the  
29 City. For the purpose of this Section 21, employment with the City shall mean only  
30 employment with the Fire Department or Police Department (but employment with the Police  
31 Department shall be included only with regard to any such member who was employed with  
32 the Police Department prior to his retirement under Section 20 hereof).

33 **"Sec. 22.** When any member of the Association shall resign or be dismissed from  
34 employment by the City (which for this purpose shall include only employment with the Fire  
35 Department or Police Department), he shall receive a sum of money equal to all monies paid  
36 into the Association by him. Upon the death of any member of the Association while in the  
37 employment of the City, a sum of money equal to all monies paid into the Association by such  
38 deceased member shall be paid to the beneficiary or beneficiaries designated in writing by such  
39 deceased member, or in default thereof, to his estate. If, after retirement, a member of the  
40 Association shall die before having received an amount equal to his contributions to the  
41 Association, there shall be paid to the beneficiary or beneficiaries designated by such member,  
42 or in default thereof to his estate, an amount equal to his contributions less the sum of  
43 retirement benefits paid to such member. The reimbursements provided in this Section 22 shall  
44 be in cash in a lump sum, unless otherwise determined by the Trustees with the consent in  
45 writing of the recipient thereof less interest, if any, previously contributed to the Association by  
46 the member pursuant to Section 16 or Section 19.

47 **"Sec. 23.** No amount payable or held by the Association under this act for the benefit of any  
48 member or beneficiary thereof shall be subject in any manner to anticipation, alienation, sale,  
49 transfer, assignment, pledge, encumbrance or charge, nor shall any amount payable or held  
50 under this act for the benefit of any member or beneficiary thereof be in anywise liable for his  
51 debts, contracts, liabilities, engagements, or torts, nor be subject to any legal process to levy

1 upon or attach, but the provisions of this Section 22 shall not be applicable as regards any  
2 dealings with or obligations to the Winston-Salem Firemen's Credit Union.

3 **"Sec. 24.** Out of the amount paid to the Insurance Commissioner of the State of North  
4 Carolina upon the amount of all premiums on fire and lightning policies covering property  
5 situated in the corporate limits of the City, the Insurance Commissioner of the State of North  
6 Carolina shall pay annually to the Treasurer of the City ninety-five percent (95%), and the  
7 Treasurer of the City shall immediately pay over the same to the treasurer of the Association, or  
8 if the treasurer of the Association shall so direct, the Treasurer of the City shall pay such  
9 amount directly to the custodian.

10 **"Sec. 25.** No member of this Association or Trustee shall be personally liable in any manner  
11 whatsoever to any person, association, firm or corporation by reason of his connection with, or  
12 act or acts on behalf of, said Association, unless such act or acts are fraudulently committed.

13 **"Sec. 26.** If a member of the Association, or an employee of the Fire Department or Police  
14 Department who is not a member of the Association due to failure to meet the minimum age  
15 requirements of subsection 2(b) hereof, is granted a leave of absence from employment by the  
16 City on account of accidental injury or temporary illness, military service during time of active  
17 warfare, compulsory military service in time of peace, or other good cause, for the purpose of  
18 this act such employee shall be deemed to have remained in the employment of the City during  
19 the period of such leave of absence or any extension thereof if he shall return to active service  
20 with the City promptly following the end of the period of such leave of absence or extension  
21 thereof. During such leave of absence or extension thereof, the Treasurer of the City shall make  
22 no deductions from the salary, if any, of such member, and such member shall not otherwise be  
23 required to make any contributions to the Association during or with respect to such period.

24 **"Sec. 27.** If any person entitled to benefits under this act shall be physically or mentally  
25 incapable of receiving or acknowledging receipt of such benefits, the Trustees, upon receipt of  
26 satisfactory evidence of such incapacity and that another person or institution is maintaining  
27 such person entitled to benefits, and that no guardian or committee has been appointed for him,  
28 may cause any benefits otherwise payable to him to be made to such person or institution so  
29 maintaining him.

30 **"Sec. 28.** The provisions of this act shall be administered on an equitable and  
31 nondiscriminatory basis, it being the intent hereof that where the Trustees are given  
32 discretionary powers, such powers shall be exercised in an equitable manner and so as to  
33 prevent discrimination between persons similarly situated. All assets of the Association shall be  
34 administered for the exclusive benefit of the members of the Association and their  
35 beneficiaries, and as a fund to provide for such members or beneficiaries the benefits provided  
36 in this act. It shall be impossible for any part of the principal or income of the retirement fund  
37 of the Association to be used for or diverted to purposes other than for the exclusive benefit of  
38 the members of the Association or their beneficiaries as provided in this act; except that the  
39 Trustees may use such assets to pay the reasonable expenses incurred in administering the said  
40 fund and any debts, liabilities or obligations of said fund. The assets and income of the fund  
41 shall be exempt from all taxes, including income taxes, imposed by the State of North Carolina  
42 or any political subdivision thereof.

43 **"Sec. 28A.** (a) Upon termination of the Association or upon complete discontinuance of  
44 contributions to the Association, the rights of all members of the Association to benefits  
45 accrued to the date of the termination or discontinuance, to the extent then funded, are  
46 nonforfeitable.

47 (b) Forfeitures under the Association may not be applied to increase the benefits that  
48 any member would otherwise receive under the Association.

49 (c) Notwithstanding any provision of the Association to the contrary, the maximum  
50 annual benefit payable in the form of a straight life annuity from the Association on behalf of a  
51 member, when combined with any benefits from another qualified retirement plan maintained

1 by the Fire Department of the City of Winston-Salem, shall not exceed the amount permitted by  
2 section 415 of the Internal Revenue Code, the provisions of which are specifically  
3 incorporated by reference into this act.

4 (d) In addition to the other applicable limitations set forth in this act, and  
5 notwithstanding any other provision of this act to the contrary, for plan years beginning on or  
6 after January 1, 1996, the annual compensation of each member taken into account under this  
7 act shall not exceed the OBRA 1993 annual compensation limit. The OBRA 1993 annual  
8 compensation limit is one hundred fifty thousand dollars (\$150,000), as adjusted by the  
9 Commissioner for increase in the cost of living in accordance with section 401(a)(17)(B) of the  
10 Internal Revenue Code. The cost of living adjustment in effect for a calendar year applies to  
11 any period, not exceeding 12 months, over which compensation is determined (the  
12 "determination period") beginning in that calendar year. If a determination period consists of  
13 fewer than 12 months, the OBRA 1993 annual compensation limit shall be multiplied by a  
14 fraction, the numerator of which is the number of months in the determination period, and the  
15 denominator of which is 12. If compensation for any prior determination period is taken into  
16 account in determining a member's benefits accruing in the current plan year, the compensation  
17 for that prior determination period is subject to the OBRA 1993 annual compensation limit in  
18 effect for that prior determination period. For this purpose, for determination periods beginning  
19 before the first day of the first plan year beginning on or after January 1, 1996, the OBRA 1993  
20 annual compensation limit is one hundred fifty thousand dollars (\$150,000). Effective for plan  
21 years beginning on or after January 1, 2002, the OBRA 1993 annual compensation limit shall  
22 be two hundred thousand dollars (\$200,000), as adjusted by the Commissioner for increases in  
23 the cost of living in accordance with section 401(a)(17)(B) of the Internal Revenue Code.

24 (e) This subsection applies to distributions made on or after January 1, 2002.  
25 Notwithstanding any provision of this act to the contrary that would otherwise limit a  
26 distributee's election under this subsection, a distributee may elect, at the time and in the  
27 manner prescribed by the Trustees, to have any portion of an eligible rollover distribution paid  
28 directly to an eligible retirement plan specified by the distributee in a direct rollover. The  
29 following definitions shall apply for purposes of this subsection:

30 (1) Eligible rollover distribution. An eligible rollover distribution is any  
31 distribution of all or any portion of the balance to the credit of the  
32 distributee, except that an eligible rollover distribution does not include:

- 33 a. Any distribution that is one of a series of substantially equal periodic  
34 payments (not less frequently than annually) made for the life (or life  
35 expectancy) of the distributee or the joint lives (or joint life  
36 expectancies) of the distributee and the distributee's designated  
37 beneficiary, or for a specified period of 10 years or more;
- 38 b. Any distribution to the extent such distribution is required under  
39 section 401(a)(9) of the Internal Revenue Code; or
- 40 c. Any distribution that is made upon the hardship of the distributee.

41 Notwithstanding the foregoing, a portion of a distribution shall not fail to be  
42 an eligible rollover distribution merely because the portion consists of  
43 after-tax employee contributions that are not includible in gross income.  
44 However, such a portion may be transferred only to an individual retirement  
45 account or annuity described in section 408(a) or section 408(b) of the  
46 Internal Revenue Code, or to a qualified defined contribution plan described  
47 in section 401(a) or section 403(a) of the Internal Revenue Code that agrees  
48 to separately account for amounts so transferred, including separately  
49 accounting for the portion of that distribution that is includible in gross  
50 income and the portion of that distribution that is not so includible.

- 1 (2) Eligible retirement plan. An eligible retirement plan is an individual  
2 retirement account described in section 408(a) of the Internal Revenue Code,  
3 an individual retirement annuity described in section 408(b) of the Internal  
4 Revenue Code, or a qualified trust described in section 401(a) of the Internal  
5 Revenue Code, that accepts the distributee's eligible rollover distribution. An  
6 eligible retirement plan shall also mean an annuity contract described in  
7 section 403(b) of the Internal Revenue Code and an eligible plan under  
8 section 457(b) of the Internal Revenue Code that is maintained by a state, a  
9 political subdivision of a state, or any agency or instrumentality of a state or  
10 a political subdivision of a state, and that agrees to separately account for  
11 amounts transferred into that plan from the Association. The definition of  
12 eligible plan shall also apply in the case of a distribution to a surviving  
13 spouse, or to a spouse or former spouse who is the alternate payee under a  
14 qualified domestic relations order, as defined in section 414(p) of the  
15 Internal Revenue Code. Effective January 1, 2008, an eligible retirement  
16 plan shall also mean a Roth IRA as described in section 408A of the Internal  
17 Revenue Code.
- 18 (3) Distributee. A distributee includes a member or former member of the  
19 Association. In addition, the surviving spouse of a member or former  
20 member is a distributee with regard to the interest of the member or former  
21 member.
- 22 (4) Direct rollover. A direct rollover is a payment by the Association to the  
23 eligible retirement plan specified by the distributee.
- 24 (5) Rollovers by nonspouse beneficiaries. Notwithstanding anything in this  
25 subsection to the contrary, effective January 1, 2007, the benefits of  
26 nonspouse beneficiaries may be transferred in a direct rollover to an  
27 inherited individual retirement account or an inherited individual retirement  
28 annuity ("inherited IRA"). Once in the inherited IRA, distributions will be  
29 made in compliance with the minimum distribution rules of section  
30 401(a)(9) of the Internal Revenue Code that apply following the death of a  
31 member.

32 (f) Notwithstanding any other provisions of this act, the following provisions apply in  
33 order to comply with the requirements of the Heroes Earnings Assistance and Relief Tax Act of  
34 2008:

- 35 (1) Death benefits. If a member of the Association dies on or after January 1,  
36 2007, while performing qualified military service as defined in section  
37 414(u) of the Internal Revenue Code, the member's beneficiary is entitled to  
38 any additional benefits, other than benefit accruals relating to the period of  
39 qualified military service, provided under the Association as if the member  
40 had resumed employment and then terminated on account of death. The  
41 Association shall also credit that member's qualified military service for  
42 vesting purposes as though the member had resumed employment  
43 immediately prior to the member's death.
- 44 (2) Differential wage payments. For years beginning after December 31, 2008:
- 45 a. An individual receiving a differential wage payment as defined in  
46 section 3401(h)(2) of the Internal Revenue Code shall be treated as  
47 an employee of the employer making the payment.
- 48 b. The differential wage payment shall be treated as compensation.
- 49 c. The Association shall not be treated as failing to meet the  
50 requirements of any provision described in section 414(u)(1)(C) of  
51 the Internal Revenue Code by reason of any contribution or benefit

1                   that is based on the differential wage payment, but only if (i) all  
2                   employees of the employer performing services described in section  
3                   3401(h)(2)(A) of the Internal Revenue Code are entitled to receive  
4                   differential wage payments as defined in section 3401(h)(2) of the  
5                   Internal Revenue Code on reasonably equivalent terms and (ii) if  
6                   eligible to participate in a retirement plan maintained by the  
7                   employer, all employees are entitled to make contributions or receive  
8                   benefits based upon the payments on reasonably equivalent terms,  
9                   taking into account the provisions of sections 4110(b)(3), (4), and (5)  
10                   of the Internal Revenue Code.

11           **"Sec. 28B.** (a) This section shall apply for purposes of determining required minimum  
12 distributions for calendar years beginning with the 2003 calendar year. The requirements of this  
13 section shall take precedence over any inconsistent provisions of the Association. All  
14 distributions required under this section shall be determined and made in accordance with the  
15 Treasury Regulations under section 401(a)(9) of the Internal Revenue Code, which are  
16 specifically incorporated by reference into this act. Notwithstanding the other provisions of this  
17 section, distributions may be made under a designation made before January 1, 1984, in  
18 accordance with section 242(b)(2) of the Tax Equity and Fiscal Responsibility Act (TEFRA)  
19 and the provisions of the Association that relate to section 242(b)(2) of TEFRA.

20           (b) Time and Manner of Distribution. –

- 21           (1) Required beginning date. – The member's entire interest will be distributed,  
22 or begin to be distributed, to the member no later than the member's required  
23 beginning date.
- 24           (2) Death of member before distributions begin. – If the member dies before  
25 distributions begin, the member's entire interest will be distributed, or begin  
26 to be distributed, no later than as follows:
- 27           a. If the member's surviving spouse is the member's sole designated  
28 beneficiary, as defined in section 28(e)(1), then distributions to the  
29 surviving spouse will begin by December 31 of the calendar year  
30 immediately following the calendar year in which the member died,  
31 or by December 31 of the calendar year in which the member would  
32 have attained age 70 ½, if later.
- 33           b. If the member's surviving spouse is not the member's sole designated  
34 beneficiary, then distributions to the designated beneficiary will  
35 begin by December 31 of the calendar year immediately following  
36 the calendar year in which the member died.
- 37           c. If there is no designated beneficiary as of September 30 of the year  
38 following the year of the member's death, the member's entire  
39 interest will be distributed by December 31 of the calendar year  
40 containing the fifth anniversary of the member's death.
- 41           d. If the member's surviving spouse is the member's sole designated  
42 beneficiary and the surviving spouse dies after the member but  
43 before distributions to the surviving spouse begin, the provisions of  
44 this subdivision, except for sub-subdivision a. of this subdivision,  
45 will apply as if the surviving spouse were the member.

46 For purposes of this subdivision and of subsection (d) of this section,  
47 distributions are considered to begin on the member's required beginning  
48 date, or if sub-subdivision d. of this subdivision applies, the date  
49 distributions are required to begin to the surviving spouse under  
50 sub-subdivision a. of this subdivision. If annuity payments irrevocably  
51 commence to the member before the member's required beginning date, or to

1 the member's surviving spouse before the date distributions are required to  
2 begin to the surviving spouse under sub-subdivision a. of this subdivision,  
3 the date distributions are considered to begin is the date distributions  
4 actually commence.

5 (3) Forms of distribution. – Unless the member's interest is distributed in the  
6 form of an annuity purchased from an insurance company or in a single  
7 lump sum on or before the required beginning date, as of the first  
8 distribution calendar year, as defined in subdivision (2) of subsection (e) of  
9 this section, distributions will be made in accordance with subsections (b),  
10 (c), and (d) of this section. If the member's interest is distributed in the form  
11 of an annuity purchased from an insurance company, distributions under that  
12 annuity shall be made in accordance with the requirements of section  
13 401(a)(9) of the Internal Revenue Code and the Treasury Regulations.

14 (b) Determination of Amount to be Distributed Each Year. –

15 (1) General annuity requirements. – If the member's interest is paid in the form  
16 of annuity distributions from the Association, payments under the annuity  
17 will satisfy the following requirements:

- 18 a. The annuity distributions shall be paid in periodic payments made at  
19 intervals not longer than one year;
- 20 b. The distribution period shall be over a life, or lives, or over a period  
21 certain not longer than the period described in subsection (c) or (d) of  
22 this section;
- 23 c. Once payments have begun over a period certain, the period certain  
24 will not be changed even if the period certain is shorter than the  
25 maximum permitted;
- 26 d. Payments will either not increase or will increase only as follows:
  - 27 1. By an annual percentage increase that does not exceed the  
28 annual percentage increase in an eligible cost-of-living index,  
29 as defined in subdivision (3) of subsection (e) of this section,  
30 for a 12-month period ending in the year during which the  
31 increase occurs or the prior year;
  - 32 2. By a percentage increase that occurs at specified times and  
33 does not exceed the cumulative total of annual percentage  
34 increases in an eligible cost-of-living index since the annuity  
35 starting date, or if later, the date of the most recent percentage  
36 increase. However, in cases providing such a cumulative  
37 increase, an actuarial increase may not be provided to reflect  
38 the fact that increases were not provided in the interim years;
  - 39 3. To the extent of the reduction in the amount of the member's  
40 payments to provide for a survivor benefit upon death, but  
41 only if the beneficiary whose life was being used to determine  
42 the distribution period described in subsection (c) of this  
43 section dies or is no longer the member's beneficiary pursuant  
44 to a qualified domestic relations order within the meaning of  
45 section 414(c) of the Internal Revenue Code.
  - 46 4. To pay increased benefits that result from an amendment to  
47 the Association; or
  - 48 5. To allow a beneficiary to convert the survivor portion of a  
49 joint and survivor annuity into a single sum distribution upon  
50 the member's death.

- 1 (2) Amount required to be distributed by required beginning date. – The amount  
2 that must be distributed on or before the member's required beginning date,  
3 or if the member dies before distributions begin, the date distributions are  
4 required to begin under sub-subdivisions a. or b. of subdivision (2) of  
5 subsection (a) of this section is the payment that is required for one payment  
6 interval. The second payment need not be made until the end of the next  
7 payment interval even if that payment interval ends in the next calendar  
8 year. Payment intervals are the periods for which payments are received,  
9 such as bimonthly, monthly, semiannually, or annually. All of the member's  
10 benefit accruals as of the last day of the first distribution calendar year shall  
11 be included in the calculation of the amount of the annuity payments for  
12 payment intervals ending on or after the member's required beginning date.
- 13 (3) Additional accruals after first distribution calendar year. – Any additional  
14 benefits accruing to the member in a calendar year after the first distribution  
15 calendar shall be distributed beginning with the first payment interval ending  
16 in the calendar year immediately following the calendar year in which such  
17 amount accrues.
- 18 (c) Requirements for Annuity Distributions that Commence during Member's Lifetime.  
19 –
- 20 (1) Joint life annuities where the beneficiary is not the member's spouse. – If the  
21 member's interest is being distributed in the form of a joint and survivor  
22 annuity for the joint lives of the member and a nonspouse beneficiary,  
23 annuity payments to be made on or after the member's required beginning  
24 date to the designated beneficiary after the member's death must not at any  
25 time exceed the applicable percentage of the annuity payment for that period  
26 that would have been payable to the member using the table set forth in  
27 Q&A-2 of section 1.401(a)(9)-6 of the Treasury Regulations. The applicable  
28 percentage is based upon the adjusted age difference between the member  
29 and the beneficiary. The adjusted age difference between the member and  
30 the beneficiary is determined by first calculating the excess of the age of the  
31 member over the age of the beneficiary based upon their ages on their  
32 birthdays in a calendar year. Then, if the member is younger than age 70, the  
33 age difference determined in the previous sentence is reduced by the number  
34 of years that the member is younger than age 70 on the member's birthday in  
35 the calendar year that contains the annuity starting date. If the form of  
36 distribution combines a joint and survivor annuity for the joint lives of the  
37 member and a nonspouse beneficiary and a period certain annuity, the  
38 requirement in the preceding sentence shall apply to annuity payments to be  
39 made to the designated beneficiary after the expiration of the period certain.
- 40 (2) Period certain annuities. – Unless the member's spouse is the sole designated  
41 beneficiary and the form of distribution is a period certain and no life  
42 annuity, the period certain for an annuity distribution commencing during  
43 the member's lifetime may not exceed the applicable distribution period for  
44 the member under the Uniform Lifetime Table set forth in section  
45 1.401(a)(9)-9 of the Treasury Regulations for the calendar year that contains  
46 the annuity starting date. If the annuity starting date precedes the year in  
47 which the member reaches age 70, the applicable distribution period for the  
48 member is the distribution period for age 70 under the Uniform Lifetime  
49 Table set forth in section 1.401(a)(9)-9 of the Treasury Regulations plus the  
50 excess of 70 over the age of the member as of the member's birthday in the  
51 year that contains the annuity starting date. If the member's spouse is the

1 member's sole designated beneficiary and the form of distribution is a period  
2 certain and no life annuity, the period certain may not exceed the longer of  
3 the member's applicable distribution period, as determined under subsection  
4 (b) of this section, or the joint life and last survivor expectancy of the  
5 member and the member's spouse as determined under the Joint and Last  
6 Survivor Table set forth in section 1.401(a)(9)-9 of the Treasury  
7 Regulations, using the member's and spouse's attained ages as of the  
8 member's and spouse's birthdays in the calendar year that contains the  
9 annuity starting date.

10 (d) Requirements for Minimum Distributions where Member Dies before Date  
11 Distributions Begin –

12 (1) Member survived by designated beneficiary. – If the member dies before the  
13 date distribution of the member's interest begins and there is a designated  
14 beneficiary, the member's entire interest will be distributed, beginning no  
15 later than the time described in sub-subdivision a. or b. of subdivision (2) of  
16 subsection (a) of this section, over the life of the designated beneficiary or  
17 over a period certain not exceeding:

18 a. Unless the annuity starting date is before the first distribution  
19 calendar year, the life expectancy, as defined in subdivision (4) of  
20 subsection (e) of this section, of the designated beneficiary  
21 determined using the beneficiary's age as of the beneficiary's birthday  
22 in the calendar year immediately following the calendar year of the  
23 member's death; or

24 b. If the annuity starting date is before the first distribution calendar  
25 year, the life expectancy of the designated beneficiary determined  
26 using the beneficiary's age as of the beneficiary's birthday in the  
27 calendar year that contains the annuity starting date.

28 (2) No designated beneficiary. – If the member dies before the date distributions  
29 begin and there is no designated beneficiary as of September 30 of the year  
30 following the year of the member's death, distribution of the member's entire  
31 interest will be completed by December 31 of the calendar year containing  
32 the fifth anniversary of the member's death.

33 (3) Death of surviving spouse before distributions to surviving spouse begin. –  
34 If the member dies before the date distribution of the member's interest  
35 begins, the member's surviving spouse is the member's sole designated  
36 beneficiary, and the surviving spouse dies before distributions to the  
37 surviving spouse begin, this subsection will apply as if the surviving spouse  
38 were the member, except that the time by which distributions must begin  
39 will be determined without regard to subdivision (1) of subsection (a) of this  
40 section.

41 (e) Definitions. –

42 (1) Designated beneficiary. – The individual who is designated as the  
43 beneficiary under the Association in accordance with section 401(a)(9)  
44 of the Internal Revenue Code and section 1.401(a)(9)-1, Q&A-4 of the  
45 Treasury Regulations.

46 (2) Distribution calendar year. – A calendar year for which a minimum  
47 distribution is required. For distributions beginning before the member's  
48 death, the first distribution calendar year is the calendar year immediately  
49 preceding the calendar year that contains the member's required beginning  
50 date. For distributions beginning after the member's death, the first

1 distribution date is the calendar year in which distributions are required to  
2 begin pursuant to subsection (a) of this section.

3 (3) Eligible cost-of-living index. – One of the following:

4 a. A consumer price index that is based on prices of all items, or all  
5 items excluding food and energy, and is issued by the Bureau of  
6 Labor Statistics, including an index for a specific population, such as  
7 urban consumers or urban wage earners and clerical workers, and an  
8 index for a geographic area or areas, such as a given metropolitan  
9 area or state.

10 b. A percentage adjustment based on a cost-of-living index described in  
11 sub-subdivision a. of this subdivision, or a fixed percentage if less. In  
12 any year in which the cost-of-living index is lower than the fixed  
13 percentage, the fixed percentage may be treated as an increase in an  
14 eligible cost-of-living index, provided it does not exceed the sum of:  
15 1. The cost-of-living index for that year; and  
16 2. The accumulated excess if the annual cost-of-living index  
17 from each prior year over the fixed annual percentage used in  
18 that year, reduced by any amount previously used under this  
19 sub-subdivision.

20 c. A percentage adjustment based on the increase in compensation for  
21 the position held by the member at the time of retirement, and  
22 provided under either the terms of a governmental plan within the  
23 meaning of section 414(d) of the Internal Revenue Code or under the  
24 terms of a nongovernmental plan in effect on April 17, 2002.

25 (4) Life expectancy. – Life expectancy as computed by use of the Single Life  
26 Table in section 1. 401(a)(9)-9 of the Treasury Regulations.

27 (5) Required beginning date. – April 1 of the calendar year following the later of  
28 (i) the calendar year in which the member attains age 70 1/2; or (ii) the  
29 calendar year in which the member retires. Notwithstanding the foregoing,  
30 the required beginning date of a member who is a five percent (5%) owner,  
31 as defined in section 416 of the Internal Revenue Code, shall be April 1 of  
32 the calendar year following the calendar year in which the member attains  
33 age 70 1/2. In the event that, as of the required beginning date, the amount of  
34 the payment to commence cannot be determined or the recipient of the  
35 payment cannot be located after a reasonable effort has been made to locate  
36 the recipient, payments retroactive to the required beginning date shall be  
37 made within 60 days after the amount has been determined or the recipient  
38 has been located, whichever is applicable.

44 effect.

45 "Sec. 32. All the laws and clauses of laws in conflict with the provisions of this act are
