5 **SECTION 1.** Chapter 90 of the General Statutes is amended by adding a new

11 **"§ 90-731. Intent; purpose.**

12 (a) Intent. – The General Assembly finds that a significant number of residents of the  
13 State of North Carolina choose complementary and alternative health care and declares that  
14 naturopathic treatment is a distinct health care profession that affects the public health, safety,

16 licensure is in the current interest of North Carolina citizens to aid in protecting citizens from

18 citizens may more confidently rely on the level of skill, education, and competency possessed  
19 by licensed persons.

20 (b) Purpose. – The purpose of this Article is to provide standards for the licensure of

45       (b)   Renewal. – A license expires two years after the date it is issued unless it is

(4) Has been declared mentally incompetent by a court of competent jurisdiction.

(5) Habitually uses or is addicted to drugs or intoxicating liquors to the extent that it affects the licensee's professional competency. If a licensee violates

1 this subdivision, the Board may require the licensee to undergo a mental or

17 hearing held in accordance with Article 3A of Chapter 150B of the General Statutes and rules  
18 adopted pursuant to this Article. An application may be made to the Board for reinstatement of  
19 a revoked license if the revocation has been in effect for not less than two years.

20 (c) Records. – The Board shall keep a record of its proceedings. The Board may, in a  
21 closed session, receive evidence regarding the treatment of a patient who has not expressly or  
22 impliedly consented to the public disclosure of the treatment when necessary for the protection  
23 of the rights of the patient or of the accused naturopathic doctor and the full presentation of  
24 relevant evidence. All records, papers, investigative files, investigative reports, and other  
25 documents containing information gathered or received by the Board as a result of  
26 investigations, inquiries, or interviews conducted in connection with an application for  
27 licensure, a complaint, or a disciplinary matter are not considered public documents within the  
28 meaning of Chapter 132 of the General Statutes. If a record, paper, or other document  
29 containing information collected and compiled by the Board is admitted into evidence in a  
30 hearing held by the Board, it shall then be a public record within the meaning of Chapter 132 of  
31 the General Statutes.

32 (d) Confidential Information. – The Board may release confidential or nonpublic  
33 information about a licensee to any health care licensure board in this State or another state

37 Board shall furnish to the naturopathic doctor a summary of the information being released.  
38 However, if the naturopathic doctor requests, in writing, within 30 days from the date of notice,  
39 a copy of the information being released, the Board shall give to the naturopathic doctor a copy  
40 of all the information being released. Notice or copies shall not be provided by the Board if the  
41 information relates to an ongoing criminal investigation by a law enforcement agency or any  
42 Department of Health and Human Services personnel with enforcement or investigative  
43 responsibilities.

45 (a) Criminal History Record Check. – The Board shall require a criminal history record  
46 check for a person who is either licensed under this Article or applying for licensure under this  
47 Article. The Board is responsible for providing to the North Carolina Department of Justice the

49 record check and the use of fingerprints and other identifying information required by the State  
50 or National Repositories, and any additional information required by the Department of Justice.  
51 The Board shall keep all information obtained pursuant to this section confidential.

1       (b) Conviction. – If a criminal history record check reveals one or more convictions, the  
2 conviction does not automatically bar licensure. The Board shall consider all of the following  
3 factors regarding the conviction:

4           (1) The level of seriousness of the crime.

5           (2) The date of the crime.

6           (3) The age of the person at the time of the conviction.

7           (4) The circumstances surrounding the commission of the crime, if known.

9 the position to be filled.

10          (6) The person's prison, jail, probation, parole, rehabilitation, and employment  
11 records since the date the crime was committed.

12          (7) The subsequent commission of a crime by the person.

13       (c) Denial of Licensure. – If the Board denies, revokes, or suspends a license based on  
14 information obtained in a criminal history record check, the Board shall disclose to the person  
15 the information contained in the criminal history record check that is relevant to the Board's  
16 actions. The Board may not provide a copy of the criminal history record check to the person.  
17 A person has the right to appear before the Board to appeal the Board's decision. An  
18 appearance before the Board shall constitute an exhaustion of administrative remedies in  
19 accordance with Chapter 150B of the General Statutes.

20       (d) Limited Immunity. – The Board, its officers and employees, acting in good faith and  
21 in compliance with this section, shall be immune from civil liability for its actions based on  
22 information provided in a person's criminal history record check.

23 **"§ 90-742. Reports; immunity from suit.**

24       (a) Report. – A person who has reasonable cause to suspect misconduct or incapacity of  
25 a licensee, or who has reasonable cause to suspect that a person is in violation of this Article,  
26 may report the relevant facts to the Board. Upon receipt of a charge, or upon its own initiative,  
27 the Board may give notice of an administrative hearing or may, after diligent investigation,  
28 dismiss unfounded charges. A person who, in good faith, makes a report pursuant to this  
29 section is immune from any criminal prosecution or civil liability resulting from making the  
30 report.

31       (b) Immunity. – The Board and its staff are immune from any criminal prosecution or  
32 civil liability for exercising, in good faith, the powers and duties given to the Board under this  
33 Article.

34 **"§ 90-743. Third-party reimbursement.**

35       Nothing in this Article shall be construed to require direct third-party reimbursement to  
36 persons licensed under this Article.

37 **"§ 90-744. Advisory Council.**

38       (a) Created. – An Advisory Council is created to advise the Board and to develop  
39 recommendations to foster coordination and collaboration between naturopathic doctors,  
40 medical doctors, and other health professionals for the purpose of providing appropriate care  
41 for patients. The Council shall meet periodically and report its recommendations to the Board  
42 and to the boards of directors for the North Carolina Medical Society and the North Carolina
