The taxpayer 41 42 manufacturer must provide notice of such expiration or withdrawal to the Department within 14 43 days of receipt. Upon determination by the Department that the product no longer qualifies as a 44 modified risk tobacco product, the Department must determine if the taxpayer paid a reduced 45 rate after the order expired or was withdrawn. If the taxpayer did avoid taxes, the taxpayer is 46 liable for all past taxes avoided as a result of the product no longer qualifying plus interest at the 47 rate established under G.S. 105-241.21, computed from the date the taxes would have been due 48 if the rate reduction had not been allowed.
