GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2019

S

## SENATE BILL DRS15460-MGa-151

| Short Title: | Advisory Panel on Cancer Research Recs.                 | (Public) |
|--------------|---|----------|
| Sponsors:    | Senators Sawyer, Perry, and Johnson (Primary Sponsors). |          |
| Referred to: |   |          |

| 1  | A BILL TO BE ENTITLED  |
|----|--|
| 2  | AN ACT IMPLEMENTING THE RECOMMENDATIONS OF THE ADVISORY PANEL ON                                       |
| 3  | CANCER RESEARCH AND APPROPRIATING FUNDS FOR THIS PURPOSE.  |
| 4  | The General Assembly of North Carolina enacts:   |
| 5  | SECTION 1. G.S. 130A-208 reads as rewritten:   |
| 6  | "§ 130A-208. Central cancer <del>registry.<u>registry; powers and duties.</u></del>                    |
| 7  | A central cancer registry is established within the Department. The central cancer registry            |
| 8  | shall compile, have the following powers and duties:   |
| 9  | (1) <u>Compile</u> , tabulate and preserve statistical, <u>clinical clinical</u> , and other reports   |
| 10 | and records pursuant to this Part relating to the incidence, treatment treatment,                      |
| 11 | and cure of cancer received pursuant to this Part. The central cancer registry                         |
| 12 | shall providecancer.   |
| 13 | (2) <u>Provide</u> assistance and consultation for public health work.                                 |
| 14 | (3) Serve as the lead agency for cancer cluster inquiries and investigations in                        |
| 15 | North Carolina, as provided in G.S. 130A-208.1."   |
| 16 | SECTION 2. Part 1 of Article 7 of Chapter 130A of the General Statutes is amended                      |
| 17 | by adding new sections to read:  |
| 18 | "§ 130A-208.1. Lead agency for cancer cluster investigations.  |
| 19 | (a) As the lead agency for cancer cluster investigations in North Carolina, the central                |
| 20 | cancer registry shall oversee the coordination of State-level efforts and activities related to cancer |
| 21 | cluster inquiries and investigations, including efforts and activities by the Occupational and         |
| 22 | Environmental Epidemiology Branch and the Department of Environmental Quality, in a way                |
| 23 | that maximizes efficiency and effectiveness.   |
| 24 | (b) The Department shall maintain a Web page on its Internet Web site dedicated to                     |
| 25 | cancer cluster investigations, which shall include the identity of, and contact information for, the   |
| 26 | cancer epidemiologist selected to serve as the single point of contact for State-level cancer cluster  |
| 27 | activities pursuant to G.S. 130A-208.2(a)(2).  |
| 28 | " <u>§ 130A-208.2. Cancer epidemiologist.</u>  |
| 29 | (a) The central cancer registry shall employ and retain an epidemiologist with                         |
| 30 | knowledge, training, and experience in cancer epidemiology, including cancer cluster                   |
| 31 | investigations, whose primary responsibility shall be to coordinate and communicate State-level        |
| 32 | cancer cluster activities. To fulfill this primary responsibility, the cancer epidemiologist shall     |
| 33 | have the following duties and powers:  |
| 34 | (1) <u>Lead State-level cancer cluster inquiries and investigations in collaboration</u>               |
| 35 | with the Occupational and Environmental Epidemiology Branch and the                                    |
| 36 | Department of Environmental Quality, as appropriate.   |
|    |  |

|          | General Assem          | bly Of North Carolina Session 20   | 19          |
|----------|------------------------|--|-------------|
| 1<br>2   | (2)                    | Serve as the single designated point of contact for State-level cancer clust activities.   | ter         |
| 3        | <u>(3)</u>             | Conduct routine cancer surveillance activities.  |             |
| 4        | $\overline{(4)}$       | Proactively monitor cancer rates statewide, including analyzing patterns   | of          |
| 5        |                        | cancer incidence over geographic areas and time.   |             |
| 6        | <u>(5)</u>             | Lead in the development, ongoing review, and updating of the statewi   | de          |
| 7        |                        | cancer cluster protocol established pursuant to G.S. 130A-208.3, with  |             |
| 8        |                        | assistance from the Advisory Committee.  |             |
| 9        | <u>(6)</u>             | Developing and disseminating reports.  |             |
| 10       | " <u>§ 130A-208.3.</u> | Enhanced statewide cancer cluster protocol.  |             |
| 11       | The central of         | cancer registry, in collaboration with the Cancer Cluster Subcommittee creat   | ed          |
| 12       | by G.S. 130A-33        | 8.52, shall establish and periodically update an enhanced statewide cancer clust   | ter         |
| 13       | protocol for add       | ressing suspected cancer clusters within the State. The protocol shall be bas  | ed          |
| 14       | on the most cur        | rent Centers for Disease Control and Prevention (CDC) guidelines for public  | lic         |
| 15       | health agencies        | to assess and respond to potential cancer clusters. At a minimum, the protoc   | col         |
| 16       | shall incorporate      | all of the following:  |             |
| 17       | <u>(1)</u>             | Best practices for all phases of cancer cluster assessment, including  | (i)         |
| 18       |                        | surveillance for identifying new cancer cases and monitoring trends, (   | (ii)        |
| 19       |                        | inquiries, and (iii) detection and investigation.  |             |
| 20       | <u>(2)</u>             | State and local infrastructure needs.  |             |
| 21       | <u>(3)</u>             | Innovative statistical methods, software tools, and analytic approaches f  | for         |
| 22       |                        | analyzing cancer rates and detecting cancer clusters.  |             |
| 23       | <u>(4)</u>             | A comprehensive plan for internal communication within the Department  |             |
| 24       |                        | well as external communication with local health departments, t  | he          |
| 25       |                        | community, the media, and other stakeholders."   |             |
| 26       |                        | <b>TION 3.</b> Part 4 of Article 1B of Chapter 130A of the General Statutes  | is          |
| 27       | •                      | ing a new section to read:   |             |
| 28       |                        | Cancer Cluster Subcommittee.   |             |
| 29       |                        | ated the Cancer Cluster Subcommittee of the Advisory Committee on Canc   |             |
| 30       |                        | d Control to collaborate with the Central Cancer Registry on State-level cancer The Concern Charter Sub-service shall marked be added by the service of the service shall be added by the service of the service shall be added by the service shall b |             |
| 31       |                        | The Cancer Cluster Subcommittee shall meet at least quarterly with the cancer described in $C = 120A + 208 + 2$ to provide advice and excitations on (i) the   |             |
| 32       |                        | described in G.S. 130A-208.2 to provide advice and assistance on (i) t   |             |
| 33       |                        | ide cancer cluster protocol and (ii) any State-level cancer cluster activities bei   |             |
| 34<br>35 |                        | s the State. The subcommittee shall be comprised of eleven individuals with a shall be appointed as follows:   | <u>1111</u> |
| 35<br>36 |                        | er cluster investigations, who shall be appointed as follows:<br>Two cancer epidemiologists, one each appointed by the President P   | )ro         |
| 30<br>37 | <u>(1)</u>             | Tempore of the Senate and the Speaker of the House of Representatives.   | 10          |
| 38       | ( <b>2</b> )           | Two environmental health scientists, one each appointed by the President P   | ro          |
| 39       | <u>(2)</u>             | Tempore of the Senate and the Speaker of the House of Representatives  | 10          |
