of The University of North Carolina as set forth in subsection (g) of this section.

- 4 5 6 7 8 9
- In any fiscal year in which the annual appropriation from the General Fund to the (d) State Fire Protection Grant Fund is less than fifteen million dollars (\$15,000,000), then the amount of University of North Carolina receipts appropriated to the State Fire Protection Grant Fund is equal to two million five hundred thousand dollars (\$2,500,000) multiplied by a fraction, the numerator of which is the appropriation from the General Fund to the State Fire Protection Grant Fund for that fiscal year and the denominator of which is fifteen million dollars (\$15,000,000).
 - Up to two hundred fifty thousand dollars (\$250,000) of the funds appropriated (e) annually from the General Fund to the State Fire Protection Grant Fund shall be allocated by the Department to provide reimbursement to local fire districts and political subdivisions of the State for State lands emergency response. The Department of Insurance shall adopt rules establishing procedures for reimbursement requests and distributions for the funds allocated by this subsection.

For purposes of this subsection, "State lands emergency response" means services such as search and rescue, wildfire suppression or management, and other natural disaster response activities provided on State-owned property other than the provision of fire protection to State-owned buildings and their contents.

- The Department of Insurance may reserve up to ten percent (10%) of funds appropriated from the General Fund in each fiscal year to compensate local fire districts and political subdivisions of the State for providing local fire protection to State-owned buildings and their contents.
- (g) Up to one million one hundred fifty-five thousand dollars (\$1,155,000) of appropriated receipts from The University of North Carolina is allocated to the State Fire Protection Grant Fund to provide reimbursement to local fire districts and political subdivisions of the State for providing local fire protection to buildings owned by nonprofit corporations or foundations sited on State property through a ground lease with a constituent institution of The University of North Carolina."

SECTION 2. The sum of eleven million two hundred twenty-two thousand four hundred eighty-seven dollars (\$11,222,487) in recurring funds for the 2023-2024 fiscal year is appropriated from the General Fund to the Department of Insurance for the State Fire Protection Grant Fund. The amount of University of North Carolina receipts appropriated and allocated to the State Fire Protection Grant Fund is increased by one million one hundred fifty-five thousand dollars (\$1,155,000) in recurring funds.

SECTION 3. This act becomes effective July 1, 2023.
