"§ 116-209.48. Primary Care Providers and Psychiatrists Forgivable Loan Program Reserve.

- (a) The Primary Care Providers and Psychiatrists Forgivable Loan Program Reserve is established as a nonreverting reserve to be administered by the Board of Governors of The University of North Carolina for the purpose of allocating funds to the Authority for the award of scholarship grants in accordance with G.S. 116-209.47 and associated administrative costs. The Reserve shall consist of monies appropriated from the General Fund to the Reserve by the General Assembly, all funds received as repayment of loans, and all interest earned on those funds. These funds shall not revert at the end of each fiscal year but shall remain available until expended.
- (b) The General Assembly finds that, due to the critical need in this State for primary care providers and psychiatrists in eligible counties, it is imperative that the State provide an increase of funds for four years to the Primary Care Providers and Psychiatrists Forgivable Loan Program Reserve. Therefore, there is appropriated from the General Fund to the Reserve the following amounts for each fiscal year to be used for the purposes set forth in this section:

<u>Fiscal Year</u>	<u>Appropriation</u>
<u>2024-2025</u>	\$2,000,000
<u>2025-2026</u>	\$4,000,000
<u>2026-2027</u>	\$6,000,000

For the 2027-2028 fiscal year and each fiscal year thereafter, there is appropriated from the General Fund to the Reserve the sum of eight million dollars (\$8,000,000) to be used for the purposes set forth in this section. When developing the base budget, as defined by G.S. 143C-1-1, for each fiscal year specified in this subsection, the Director of the Budget shall include the appropriated amount specified in this subsection for that fiscal year.

- (c) Of the funds allocated to the Authority under this section to award forgivable loans, the Authority may retain up to four percent (4%) of the funds appropriated each fiscal year for administrative costs associated with the forgivable loan program."
- **SECTION 2.** This act becomes effective July 1, 2023, and applies beginning with applications and the disbursement of loans in the 2024-2025 fiscal year.
