A BILL TO BE ENTITLED

AN ACT TO MODIFY THE GENERAL STATUTES REGARDING HEALTH CARE POWERS OF ATTORNEY, ADVANCE HEALTH CARE DIRECTIVES, AND ADVANCE INSTRUCTIONS FOR MENTAL HEALTH TREATMENT BASED, IN PART, ON PROPOSALS IN THE UNIFORM HEALTH-CARE DECISIONS ACT, AS RECOMMENDED BY THE GENERAL STATUTES COMMISSION.

The General Assembly of North Carolina enacts:

PART I. FINDINGS

SECTION 1. The General Statutes Commission, pursuant to its charge under G.S. 164-13, finds that the adoption of certain proposals in the 2023 Uniform Health-Care Decisions Act would improve the laws of this State. Among these proposals is simplifying execution requirements for health care powers of attorney, advance health care directives ("living wills"), and advance instructions for mental health treatment.

The Commission further finds that House Bill 349, 2025 Regular Session, would simplify execution requirements for health care powers of attorney and advance health care directives ("living wills"), two of the three documents for which the General Statutes Commission recommends simplifying execution requirements. In addition to making technical corrections, this act in its entirety provides for all recommendations of the General Statutes Commission resulting from its consideration of the 2023 Uniform Health-Care Decisions Act. Parts II and III of this act would ensure the enactment of all of the Commission's recommendations if House Bill 349 does or does not become law.

ADVANCE DIRECTIVE FOR A NATURAL DEATH ("LIVING WILL")

NOTE: YOU SHOULD USE THIS DOCUMENT TO GIVE YOUR HEALTH CARE PROVIDERS INSTRUCTIONS TO WITHHOLD OR WITHDRAW LIFE-PROLONGING MEASURES IN CERTAIN SITUATIONS. THERE IS NO LEGAL REQUIREMENT THAT ANYONE EXECUTE A LIVING WILL.

GENERAL INSTRUCTIONS: You can use this Advance Directive ("Living Will") form to give instructions for the future if you want your health care providers to withhold or withdraw life-prolonging measures in certain situations. You should talk to your doctor about what these terms mean. The Living Will states what choices you would have made for yourself if you were able to communicate. Talk to your family members, friends, and others you trust about your choices. Also, it is a good idea to talk with professionals such as your doctors, clergypersons, and lawyers before you complete and sign this Living Will.

You do not have to use this form to give those instructions, but if you create your own Advance Directive you need to be very careful to ensure that it is consistent with North Carolina law.

This Living Will form is intended to be valid in any jurisdiction in which it is presented, but places outside North Carolina may impose requirements that this form does not meet.

*If you want to use this form, you must complete it, sign it, and have your signature witnessed by two qualified witnesses ~~and~~ or proved by a notary public. Follow the instructions about which choices you can initial very carefully. **Do not sign this form until** two witnesses ~~and~~ or a notary public are present to watch you sign it. You then should consider giving a copy to your primary physician and a trusted relative, and should consider filing it with the Advanced Health Care Directive Registry maintained by the North Carolina Secretary of State: <http://www.nclifelinks.org/ahcdr/State>.*
