the Supp		Retirement Income Plan and members of the 457(b) Deferred Compensation

Plan to elect to invest in digital assets, as defined in G.S. 147-69.2E, which are held as

exchange-traded products. If the Treasurer determines such investment is appropriate and the Supplemental Retirement Board of Trustees agrees after reviewing the Treasurer's findings, then the Treasurer and Board may adopt rules to implement allowing State employees to invest, including the following:

- (1) Identifying appropriate investment vehicles.
- (2) Determining whether a maximum contribution allowable for members of the Supplemental Retirement Income Plan and members of the 457(b) Deferred Compensation Plan should be established and the amount of that contribution.
- (3) Establishing educational materials to inform State employees about digital asset basics and digital asset investment risks.
- (4) Any other rules the Treasurer deems necessary.

SECTION 3. The State Bureau of Investigation, in cooperation with the State Treasurer, local law enforcement agencies, and other statewide law enforcement agencies, shall study the feasibility of establishing the North Carolina Digital Asset Reserve (Reserve), with the purpose of retaining digital assets seized and forfeited to the State. The study shall include at least the following:

- (1) The State agency or department best suited to administer the Reserve.
- (2) The best method to hold assets in the Reserve.
- (3) The process for placing seized or forfeited assets in the Reserve.
- (4) The best method to time sales from the Reserve to maximize revenue to the Civil Penalty and Forfeiture Fund and benefit local boards of education.
- (5) Any other issues the stakeholders deem necessary.

The State Bureau of Investigation shall report the results of this study, including proposed legislation to create, implement, and administer the Reserve, to the Joint Legislative Oversight Committee on General Government no later than March 1, 2026.

SECTION 4. If House Bill 506, 2025 Regular Session, becomes law, G.S. 147-69.2E, as enacted in that act, is repealed. If Senate Bill 709, 2025 Regular Session, becomes law, then G.S. 147-69.2E, as enacted in that act, is repealed.

SECTION 5. If House Bill 506, 2025 Regular Session, or Senate Bill 709, 2025 Regular Session, becomes law, then G.S. 147-69.2E(b), as enacted in Section 1 of this act, reads as rewritten:

- "(b) The <u>State Treasurer Investment Authority</u> may invest the cash of the designated funds in digital assets only after <u>obtaining approval by the Board of Directors</u>. The approval shall be <u>based on</u> an independent assessment by a third-party consultant that all of the following requirements for proposed investments have been met:
 - (1) The digital assets are maintained with a secure custody solution.
 - (2) The potential investment is appropriate for the designated fund's circumstances from a total portfolio perspective.
 - (3) The control environment meets institutional investment industry requirements for independent risk and compliance oversight, operational robustness, and regulatory compliance."

SECTION 6. This act is effective when it becomes law.
