22 training program and standardized guidelines described in subsection (a) of this section.

23 **SECTION 2.(d)** This section is effective July 1, 2026.
24

25 **PART III. MEDICAL CONDITION ACTION PLANS**

26 **SECTION 3.(a)** G.S. 115C-12 is amended by adding the following new subdivisions
27 to read:

28 "(51) Medical Condition Action Plan. – The State Board of Education shall adopt a
29 rule establishing a medical condition action plan as provided in
30 G.S. 115C-375.1 to be implemented by each public school unit for each
31 student at risk for a medical emergency as diagnosed by a doctor.

32 "(52) Medical Emergency Plan. – The State Board of Education, in consultation
33 with the Department of Public Instruction and the Department of Health and
34 Human Services, shall adopt a rule establishing the required response of
35 public school unit employees when a student has a medical emergency not
36 otherwise covered by a medical condition action plan implemented in
37 accordance with G.S. 115C-375.1. The Department of Public Instruction shall
38 provide each public school unit with a copy of the rule, and each public school
39 unit shall implement the rule."

40 **SECTION 3.(b)** G.S. 115C-375.1 reads as rewritten:

41 "**§ 115C-375.1. To provide some medical care to ~~students~~, students and implement medical**
42 **condition action plans.**

43 (a) Notwithstanding G.S. 90-21.10B, it is within the scope of duty of teachers, including
44 substitute teachers, teacher assistants, student teachers, or any other public school employee
45 when authorized by the ~~board of education~~ governing body of a public school unit or its designee,
46 (i) to administer any drugs or medication prescribed by a doctor upon written request of the
47 parents, or as described in the medical condition action plan required by subsection (b) of this
48 section, (ii) to give emergency health care when reasonably apparent circumstances indicate that
49 any delay would seriously worsen the physical condition or endanger the life of the ~~pupil~~, student,
50 and (iii) to perform any other first aid or lifesaving techniques in which the employee has been

1 trained in a program approved by the State Board of Education. ~~No employee, however, shall be~~
2 ~~required to administer drugs or medication or attend lifesaving techniques programs.~~

3 (b) Each governing body of a public school unit shall implement the medical condition
4 action plan adopted by the State Board of Education pursuant to G.S. 115C-12(51) for each
5 student at risk of a medical emergency as diagnosed by a doctor. The medical condition action
6 plan adopted by the State Board of Education shall include all of the following:

7 (1) A standard medical condition action plan form.

8 (2) Detailed instructions in the medical condition action plan form to ensure that
9 all individuals designated by the principal, or, if there is no principal, the staff
10 member with the highest decision-making authority, to provide medical care
11 for a student at risk for a medical emergency as diagnosed by a doctor, know
12 how to address the medical emergency.

13 (3) Information detailing the method by which and by whom any medical
14 emergency will be handled when the student is at a school-sponsored activity
15 that is not on the campus of the public school unit, including field trips and
16 interscholastic athletic activities.

17 (c) Any public school unit employee, authorized by the board of education governing
18 body of a public school unit or its designee to act under (i), (ii), or (iii) above, subsections (a)
19 and (b) of this section, shall not be liable in civil damages for any authorized act or for any
20 omission relating to that act unless the act or omission amounts to gross negligence, wanton
21 conduct, or intentional wrongdoing. Any person, serving in a voluntary position at the request of
22 or with the permission or consent of the board of education governing body of a public school
23 unit or its designee, who has been given the authority by the board of education governing body
24 of a public school unit or its designee to act under (ii) above give emergency health care when
25 reasonably apparent circumstances indicate that any delay would seriously worsen the physical
26 condition or endanger the life of the student shall not be liable in civil damages for any authorized
27 act or for any omission relating to the act unless the act amounts to gross negligence, wanton
28 conduct, or intentional wrongdoing.

29 (d) At the commencement of each school year, but before the beginning of classes, and
30 thereafter as circumstances require, the principal of each school, or, if there is no principal,
31 the staff member with the highest decision-making authority, shall determine which persons will
32 participate in the medical care program."

33 **SECTION 3.(c)** G.S. 115C-375.2A reads as rewritten:

34 **"§ 115C-375.2A. School supply of epinephrine delivery systems.**

35 (a) ~~A local board of education~~ Public school units shall provide for a supply of emergency
36 epinephrine delivery systems on school property for use by trained school personnel to provide
37 emergency medical aid to persons suffering from an anaphylactic reaction during the school day
38 and at school-sponsored events on school property. Each school shall store in a secure but
39 unlocked and easily accessible location a minimum of two epinephrine delivery systems. For
40 purposes of this section, "school property" does not include transportation to or from school.

41 (b) For the purposes of this section and G.S. 115C-375.2, "epinephrine delivery system"
42 means a disposable drug delivery system that is designed for emergency administration of
43 epinephrine to provide rapid, convenient first aid for persons suffering a potentially fatal reaction
44 to anaphylaxis, including nasal sprays and injectors that are approved by the United States Food
45 and Drug Administration with a premeasured, appropriate weight-based dose of epinephrine.

46 (c) ~~The principal shall designate one or more school personnel, as part of the medical~~
47 ~~care program under G.S. 115C-375.1, to~~ All public school unit employees that routinely interact
48 with students in the course of performing their duties shall receive initial training and annual
49 retraining training from a school nurse or qualified representative of the local health department
50 regarding the storage and emergency use of epinephrine delivery systems. Notwithstanding any
51 other provision of law to the contrary, the school nurse or other designated school personnel who

1 has received training under this subsection shall obtain a non-patient specific prescription for an
2 epinephrine delivery system from a physician, physician assistant, or nurse practitioner of the
3 local health department serving the area in which the local school administrative unit is located.

4 (d) ~~The principal-principal, or, if there is no principal, the staff member with the highest~~
5 decision-making authority, shall collaborate with appropriate school personnel to develop an
6 emergency action plan for the use of epinephrine delivery systems in an emergency. The plan
7 shall include at least the following components:

- 8 (1) Standards and procedures for the storage and emergency use of epinephrine
9 delivery systems by trained school personnel.
- 10 (2) ~~Training~~ Annual training of school personnel in recognizing symptoms of
11 anaphylaxis.
- 12 (3) Emergency follow-up procedures, including calling emergency services and
13 contacting a student's parent, guardian, and physician.
- 14 (4) Instruction and certification in cardiopulmonary resuscitation.

15 (e) A supply of emergency epinephrine delivery systems provided in accordance with
16 this section shall not be used as the sole medication supply for students known to have a medical
17 condition requiring the availability or use of an epinephrine delivery system. Those students may
18 be authorized to possess and self-administer their medication on school property under
19 G.S. 115C-375.2.

20 (f) ~~A local board of education, public school unit, its members, employees, designees,~~
21 ~~agents, or volunteers, and a physician, physician assistant, or nurse practitioner of the local health~~
22 ~~department shall not be liable in civil damages to any party for any act authorized by this section~~
23 ~~or for any omission relating to that act unless that act or omission amounts to gross negligence,~~
24 ~~wanton conduct, or intentional wrongdoing."~~

25 **SECTION 3.(d)** The State Board of Education may adopt temporary rules to
26 implement this section.
