1 A BILL TO BE ENTITLED  
2 AN ACT TO MAKE VARIOUS CHANGES UNDER THE LAWS PERTAINING TO CHILD  
3 CARE AND TO APPROPRIATE FUNDS FOR THOSE PURPOSES.  
4 The General Assembly of North Carolina enacts:

**PART I. INCREASE CHILD CARE SUBSIDY RATES/ESTABLISH RATE FLOOR**

7 **SECTION 1.1.** Beginning October 1, 2026, the Department of Health and Human  
8 Services, Division of Child Development and Early Education, shall increase the child care  
9 subsidy market rates to the seventy-fifth percentile as recommended by the 2023 Child Care  
10 Market Rate Study for children in three-, four-, and five-star-rated child care centers and homes.

11 **SECTION 1.2.** Beginning October 1, 2026, provisions of payment rates for child  
12 care providers in counties that have a county rate below the State rate for center-based and  
13 home-based care are as follows:

- 14 (1) Except as applicable in subdivision (2) of this section, payment rates shall be  
15 set at the seventy-fifth percentile statewide market rate as recommended by  
16 the 2023 Child Care Market Rate Study for children birth through 5 years of  
17 age for licensed child care centers and homes.  
18 (2) If it can be demonstrated that the application of the statewide rate to a county  
19 with fewer than 50 children in each age group is lower than the county market  
20 rate and would inhibit the ability of the county to purchase child care for  
21 low-income children, then the county market rate may be applied.

22 **SECTION 1.3.** There is appropriated from the General Fund to the Department of  
23 Health and Human Services, Division of Child Development and Early Education, the sum of  
24 one hundred ten million dollars (\$110,000,000) in recurring funds beginning in the 2026-2027  
25 fiscal year to implement the market rate increases and to establish a floor for child care subsidy  
26 rates as set forth in Sections 1.1 and 1.2 of this Part.

**PART II. REINSTITUTE FUNDING FOR CHILD CARE STABILIZATION GRANTS**

29 **SECTION 2.1.** There is appropriated from the General Fund to the Department of  
30 Health and Human Services, Division of Child Development and Early Education (Division), the  
31 sum of fifty million dollars (\$50,000,000) in nonrecurring funds for the 2026-2027 fiscal year to  
32 reinstitute the compensation grants portion of the child care stabilization grants.

33 **SECTION 2.2.** This Part is effective when it becomes law.

34  
35 **PART III. MATCHING GRANT FUNDS FOR COUNTIES AND PRIVATE**  
36 **EMPLOYERS TO ASSIST WITH CAPACITY BUILDING IN CHILD CARE**

1           **SECTION 3.1.** There is appropriated from the General Fund to the Department of  
2 Health and Human Services, Division of Child Development and Early Education (Division), the  
3 sum of fifty million dollars (\$50,000,000) in nonrecurring funds for the 2026-2027 fiscal year to  
4 be used for grants to counties and private employers that provide assistance with capacity  
5 building in child care in this State, including, but not limited to, (i) building construction,  
6 renovation, upfitting, or improvements, (ii) expansion costs, (iii) furniture and equipment, or (iv)  
7 playground installation. The Division shall award grants under this section pursuant to criteria  
8 established by the Division in accordance with federal law and guidance. These grants shall be  
9 one-time awards to assist with child care initiatives as established by the Division. Counties or  
10 private employers seeking to receive funds under this section shall provide documentation of a  
11 twenty-five percent (25%) match as a condition of receiving these State funds. A county or  
12 private employer receiving grant funds under this Part may use up to nine percent (9%) of the  
13 State funds awarded for administrative costs.

#### 14 15 **PART IV. CHILD CARE FOR CHILD CARE PROVIDERS PILOT PROGRAM**

16           **SECTION 4.1.** There is appropriated from the General Fund to the Department of  
17 Health and Human Services, Division of Child Development and Early Education (Division), the  
18 sum of sixty million dollars (\$60,000,000) in nonrecurring funds for the 2026-2027 fiscal year.  
19 These funds shall be used to establish a two-year, statewide pilot program that provides child  
20 care expansion assistance grants for child care providers providing direct care and employed full  
21 time by any licensed child care program in this State to assist in recruiting and retaining  
22 employees necessary to expand the supply of licensed child care to additional children from birth  
23 through 5 years of age by ensuring that unaffordable child care is not a barrier to work for these  
24 employees. For purposes of this Part, "child care provider" includes lead teachers, teachers,  
25 teacher assistants, and administrators.

26           **SECTION 4.2.** A child care provider providing direct care who is eligible for a child  
27 care expansion assistance grant pursuant to this section shall earn at or below eighty-five percent  
28 (85%) of the State median income and be employed full time at a licensed child care center or  
29 family child care home. For purposes of this Part, "full time" means at least 32 hours per week.  
30 If a licensed family child care home provider applies for a child care assistance grant for the  
31 provider's own children, that provider must provide care for additional children in the provider's  
32 program equal to the number of the provider's own children for which a child care expansion  
33 assistance grant is provided.

34           **SECTION 4.3.** Any licensed child care program may apply to the Division of Child  
35 Development and Early Education (Division) for a child care expansion assistance grant for  
36 eligible employees only when there is capacity at the program to serve an eligible employee's  
37 child without displacing other children already in care in the program. When a child care  
38 program's application for a child care expansion assistance grant is approved, the Division shall  
39 pay seventy-five percent (75%) of the published child care tuition rates to the licensed program  
40 for each eligible staff member for up to two children. Child care program employers shall cover  
41 a minimum of twenty-five percent (25%) of the published tuition rate for each child. Child care  
42 expansion assistance grants may be distributed monthly or quarterly, at the Division's discretion,  
43 so long as the eligible employee remains employed full time at the licensed child care program.  
44 The program operator or administrator is responsible for informing the Division when an eligible  
45 employee is no longer employed at the program. Failure to inform the Division of such departure  
46 within 30 days of separation may result in the program being required to return distributed grant  
47 funds for the eligible employee postseparation from employment.

48           **SECTION 4.4.** The Division of Child Development and Early Education (Division)  
49 shall make the child care expansion assistance grants provided in accordance with the pilot  
50 program available statewide in all counties. However, the Division shall prioritize counties with  
51 the highest unmet demand or longest wait lists for subsidized child care funded by the federal

1 Child Care Assistance Program and shall work to ensure that child care expansion assistance  
2 grants are distributed to geographically diverse areas across the State. A child care program  
3 licensed in this State does not have to participate in the federal Child Care Assistance Program  
4 to apply for a child care expansion assistance grant for eligible employees.

5 **SECTION 4.5.** The Division of Child Development and Early Education (Division)  
6 shall submit a progress report to the Joint Legislative Oversight Committee on Health and Human  
7 Services and the Fiscal Research Division of the General Assembly by March 31, 2027, with a  
8 final report by December 31, 2028, on the pilot program that includes the following:

- 9 (1) The number of licensed child care programs participating in the pilot program,  
10 by setting (center or family child care home) and county.
- 11 (2) The number of child care providers participating in the pilot program, by  
12 position or title, hire date (newly employed versus already employed), and  
13 county.
- 14 (3) The number of new licensed child care slots created as a result of the pilot, by  
15 age group and county.
- 16 (4) The number of additional children aged birth to 5 years served as a result of  
17 the pilot, by age group and county.

33 adult day care center if more than 250 people would work in the building. This requirement  
34 includes current projects which have not broken ground by July 1, 2026, unless one or both of  
35 the following exceptions apply:

- 36 (1) Inclusion of either type of center would delay the project by six months or

39 (10%) or more.

##### **"§ 122F-1. Short title.**

This Chapter shall be known and may be cited as the "North Carolina Child Care Finance Agency Act."

##### **"§ 122F-2. Legislative findings and purposes.**

(a) The General Assembly hereby finds and declares the following:

(1) That there exists in the State of North Carolina a serious shortage of accessible and affordable child care. This statewide shortage severely impacts the State's workforce and economy and is inimical to the health, safety, welfare, and prosperity of all residents of the State and to the sound growth of North Carolina's economy.

(2) That private enterprise and investment have not been able to produce, without assistance, the needed supply or rehabilitation of child care facilities to provide sufficient child care for the State's workforce, including low-income families. It is imperative that the supply of child care for families be increased; and that private enterprise and investment be encouraged to sponsor, build, rehabilitate, and operate child care for families to remove barriers to employment and to foster healthy development for children.

(3) That the purposes of this Chapter are to provide financing for child care construction, new or rehabilitated, for individuals providing high-quality child care to families and facilitate the matching and development of child care providers with organizations seeking child care for their workforce.

(4) That faith-based organizations are eligible for financing for child care construction that provides high-quality child care.

(5) That businesses that make child care accessible to their employees are eligible for financing for child care construction that provides high-quality child care.

(b) In accomplishing these public purposes, the North Carolina Child Care Finance Agency, a public agency and an instrumentality of the State, is acting in all respects for the benefit of the people of the State in the performance of essential public functions and serves a public purpose in improving and otherwise promoting their health, welfare, and prosperity. The North Carolina Child Care Finance Agency is empowered to act on behalf of the State of North Carolina and its people in serving this public purpose for the benefit of the general public.

(c) Whenever feasible, the North Carolina Child Care Finance Agency shall prioritize the following policy goals in its actions:

(1) Give first priority in its programs to assisting child care providers with fewer than 10 facilities.

(2) Undertake its programs in the areas where the greatest child care needs exists.

(3) Give priority to projects for child care facilities with licenses that indicate high-quality child care, as determined by the North Carolina Child Care Commission.

- 1           (4)    Incentivize child care providers, including faith-based organizations, to  
2           provide full-day child care.
- 3           (5)    Encourage private employers to provide on-site child care to employees  
4           through advising on information for research-based solutions, including  
5           methods and guides to financing facilities and child care providers as partners  
6           and providing information to employers on high-quality child care providers  
7           to partner with in providing on-site child care.
- 8           (6)    Partner with the State Board of Community Colleges to facilitate  
9           apprenticeships with high-quality child care providers for students at  
10           community colleges and other institutions of higher education.
- 11           (7)    Establish grants to support these policy goals from available funds, including  
12           funds appropriated for this purpose by the State and funds from any federal or  
13           private agency, corporation, association, or person.

26           (a) The Agency shall from time to time adopt, modify, or repeal rules and regulations  
27 governing the purchase of federally insured securities by the Agency and the purchase and sale  
28 of mortgage loans, construction loans, and rehabilitation loans and the application of the proceeds  
29 thereof, including rules and regulations as to any or all of the following:

- 30           (1) Procedures for the submission of requests or the invitation of proposals for the

32 or for the purchase of federally insured securities.

46 rehabilitation loans or to purchase federally insured securities.

47           Such rules and regulations shall be designed to effectuate the general purposes of this Chapter  
48 and the following specific objectives: (i) the construction of decent, safe, and sanitary full-day  
49 child care facilities; (ii) the rehabilitation of present child care facilities; (iii) increasing the supply  
50 and access to affordable child care for all families, regardless of income level; (iv) the  
51 encouraging of private enterprise and investment to sponsor, build, and rehabilitate child care

1 facilities; and (v) the restriction of the financial return and benefit to that necessary to protect  
2 against the realization by lenders of an excessive financial return or benefit as determined by  
3 prevailing market conditions.

4 (b) The interest rate or rates and other terms of federally insured securities or mortgage  
5 loans, construction loans, and rehabilitation loans purchased from the proceeds of any issue of  
6 bonds of the Agency shall be at least sufficient to assure the payment of said bonds and the  
7 interest thereon as the same become due from the amounts received by the Agency in repayment  
8 of such federally insured securities or such loans and interest thereon.

9 (c) The Agency shall provide that mortgage loans, construction loans, and rehabilitation  
10 loans are forgivable in full after 15 years if the licensed child care provider (i) serves at least

20 new mortgage loans with respect to child care facilities in the State having a stated maturity of  
21 not less than 20 years from the date thereof in an aggregate principal amount equal to the amount  
22 of such sale proceeds. The Agency shall not purchase nor make commitment to purchase  
23 mortgage loans, federally insured securities, or other obligations from a mortgage lender from  
24 which it has previously purchased federally insured securities or mortgage loans initially made  
25 without such prior approval unless said mortgage lender has either made or entered into written  
26 commitments to make such new mortgage loans.

27 **"§ 122F-7. Mortgage insurance authority.**

28 (a) The Agency may upon application of a proposed mortgagee insure and make advance  
29 commitments to insure payments required by a loan for child care facilities upon such terms and  
30 conditions as the Agency may prescribe. Mortgage loans insured by the Agency under this  
31 Chapter may provide financing for related ancillary facilities to the extent permitted by applicable  
32 Agency regulations. Mortgage loans insured by the Agency under this Chapter shall be secured  
33 by a first mortgage.

34 The aggregate principal amount of all mortgages so insured by the Agency under this Chapter  
35 and outstanding at any one time shall not exceed 10 times the average annual balance for the  
36 preceding calendar year of funds on deposit in the child care mortgage insurance fund, the  
37 creation of which is hereby authorized. The aggregate amount of principal obligations of all  
38 mortgages so insured shall not be deemed to constitute a debt, liability, or obligation of the State  
39 or of any political subdivision thereof or a pledge of the faith and credit of the State or of any  
40 such political subdivision, but shall be payable solely from moneys on deposit to the credit of the  
41 child care mortgage insurance fund. Any contract of insurance executed by the Agency under  
42 this section shall be conclusive evidence of eligibility for such mortgage insurance and the  
43 validity of any contract of insurance so executed or of an advance commitment to issue such shall  
44 be incontestable in the hands of a mortgagee from the date of execution of such contract or  
45 commitment, except for fraud or misrepresentation on the part of such mortgagee and, as to  
46 commitments to insure, noncompliance with the terms of the advance commitment or Agency  
47 regulations in force at the time of issuance of the advance commitment.

48 (b) For mortgage payments to be eligible for insurance under the provisions of this  
49 Chapter, the underlying mortgage loan shall:

- 50 (1) Be one which is made and held by a mortgagee approved by the Agency as  
51 responsible and able to service the mortgage properly.

- 1           (2)   Not exceed ninety percent (90%) of the estimated cost of the proposed child  
2           care facility.
- 3           (3)   Have a maturity satisfactory to the Agency but in no case longer than eighty  
4           percent (80%) of the Agency's estimate of the remaining useful life of said  
5           child care facility or 40 years from the date of the issuance of insurance,  
6           whichever is earlier.
- 7           (4)   Contain amortization provisions satisfactory to the Agency requiring periodic  
8           payments by the mortgagor not in excess of the ability to pay as determined  
9           by the Agency.
- 10          (5)   Be in such form and contain such terms and provisions with respect to  
11          maturity, property insurance, repairs, alterations, payment of taxes and  
12          assessments, default reserves, delinquency charges, default remedies,  
13          anticipation of maturity, additional and secondary liens, equitable and legal  
14          redemption rights, prepayment privileges, and other matters as the Agency  
15          may prescribe.

16          (c)   All applications for mortgage insurance shall be forwarded, together with an  
17          application fee prescribed by the Agency, to the executive director of the Agency. The Agency  
18          shall cause an investigation of the proposed project to be made, review the application and the  
19          report of the investigation, and approve or deny the application. No application shall be approved  
20          unless the Agency finds that it is consistent with the purposes of this Chapter and further finds  
21          that the financing plan for the proposed project is sound. The Agency shall notify the applicant  
22          and the proposed lender of its decision. Any such approval shall be conditioned upon payment  
23          to the Agency, within such reasonable time and after notification of approval as may be specified  
24          by the Agency, of the commitment fee prescribed by the Agency.

25          (d)   The Agency shall fix mortgage insurance premiums for the insurance of mortgage  
26          payments under the provision of this Chapter. Such premiums shall be computed as a percentage  
27          of the principal of the mortgage outstanding at the beginning of each mortgage year but shall not  
28          be more than one-half of one percent (1/2 of 1%) per year of such principal amount. The amount  
29          of premium need not be uniform for all insured loans. Such premiums shall be payable by  
30          mortgagors or mortgagees in such manner as prescribed by the Agency.

31          (e)   In the event of default by the mortgagor, the mortgagee shall notify the Agency both  
32          of the default and the mortgagee's proposed course of action. When it appears feasible, the  
33          Agency may for a temporary period upon default or threatened default by the mortgagor authorize  
34          mortgage payments to be made by the Agency to the mortgagee which payments shall be repaid  
35          under such conditions as the Agency may prescribe. The Agency may also agree to revised terms  
36          of financing when such appear prudent. The mortgagee shall be entitled to receive the benefits  
37          of the insurance provided herein upon:

- 38               (1)   Any sale of the mortgaged property by court order in foreclosure or a sale with  
39               the consent of the Agency by the mortgagor or a subsequent owner of the  
40               property or by the mortgagee after foreclosure or acquisition by deed in lieu  
41               of foreclosure, provided all claims of the mortgagee against the mortgagor or  
42               others arising from the mortgage, foreclosure, or any deficiency judgment  
43               shall be assigned to the Agency without recourse except such claims as may  
44               have been released with the consent of the Agency; or
- 45               (2)   The expiration of six months after the mortgagee has taken title to the  
46               mortgaged property under judgment of strict foreclosure, foreclosure by sale  
47               or other judicial sale, or under a deed in lieu of foreclosure if during such  
48               period the mortgagee has made a bona fide attempt to sell the property, and  
49               thereafter conveys the property to the Agency with an assignment, without  
50               recourse, to the Agency of all claims of the mortgagee against the mortgagor  
51               or others arising out of the mortgage foreclosure, or deficiency judgment; or

1           (3)    The acceptance by the Agency of title to the property or an assignment of the  
2           mortgage, without recourse to the Agency, in the event the Agency determines  
3           it imprudent to proceed under subdivision (1) or (2) of this subsection.

4           Upon the occurrence of either subdivision (1), (2), or (3) of this subsection, the obligation of  
5           the mortgagee to pay premium charges for insurance shall cease, and the Agency shall, within  
6           30 days thereafter, pay to the mortgagee ninety-eight percent (98%) of the sum of (i) the then  
7           unpaid principal balance of the insured indebtedness, (ii) the unpaid interest to the date of  
8           conveyance or assignment to the Agency, as the case may be, (iii) the amount of all payments  
9           made by the mortgagee for which it has not been reimbursed for taxes, insurance, assessments,  
10           and mortgage insurance premiums, and (iv) such other necessary fees, costs, or expenses of the  
11           mortgagee as may be approved by the Agency.

12           (f)    Upon request of the mortgagee, the Agency may at any time, under such terms and  
13           conditions as it may prescribe, consent to the release of the mortgagor from the mortgagor's  
14           liability or consent to the release of parts of the property from the lien of the mortgage, or approve  
15           a substitute mortgagor or sale of the property or part thereof.

16           (g)    No claim for the benefit of the insurance provided in this Chapter shall be accepted  
17           by the Agency except within one year after any sale or acquisition of title of the mortgaged  
18           premises described in subdivision (1) or (2) of subsection (e) of this section.

19           (h)    There shall be paid into the child care mortgage insurance fund (i) all premiums  
20           received by the Agency for the granting of such mortgage insurance, (ii) any moneys or other  
21           assets received by the Agency as a result of default or delinquency on mortgage loans insured by  
22           the Agency, including any proceeds from the sale or lease of real property, (iii) any moneys  
23           appropriated and made available by the State for the purpose of such fund.

24           **"§ 122F-8. Terms and conditions of loans to and by lenders.**

25           (a)    The Agency shall from time to time adopt, modify, amend, or repeal rules and  
26           regulations governing the making of loans to lenders and the application of the proceeds thereof.  
27           These rules and regulations shall be designed to effectuate the general purposes of this Chapter  
28           and the following specific objectives: (i) the construction and renovation of decent, safe, and  
29           sanitary child care facilities; (ii) the encouragement of private enterprise and investment to  
30           sponsor, build, and renovate child care facilities; (iii) the increase in the supply and access to  
31           affordable child care for all families, regardless of income level; and (iv) the restriction of the  
32           financial return and benefit to the mortgage lenders from such loans to an amount that is  
33           necessary to induce their participation and that is not excessive as determined by prevailing  
34           market conditions.

35           (b)    Notwithstanding any other provision of this section, the interest rate or rates and other  
36           terms of the loans to lenders made from the proceeds of any issue of bonds of the Agency shall  
37           provide that the amounts received by the Agency in repayment of the loans and interest thereon  
38           shall be at least sufficient to assure the payment of the principal of and the interest on the bonds  
39           as they become due.

40           (c)    The Agency shall enter into a written agreement with each lender that shall require as  
41           a condition of each loan to such lender that the lender shall originate new mortgage loans,  
42           construction loans, and rehabilitation loans within a reasonable period of time as determined by  
43           the Agency's rules and regulations and that such new loans shall have such stated maturities as  
44           determined by the Agency's rules and regulations.

45           (d)    The loans to lenders shall be general obligations of the respective lenders owing them.  
46           The Agency shall require that such loans shall be secured as to payment of both principal and  
47           interest by a pledge and lien upon collateral security. The collateral security itself shall be in such  
48           amount as the Agency determines will assure the payment of the principal of and the interest on  
49           the bonds as they become due. Collateral security shall be deemed to be sufficient if the principal  
50           of and the interest on the collateral security, when due, will be sufficient to pay the principal of  
51           and the interest on the bonds. The collateral security shall consist of any of the following items:

1 (i) direct obligations of, or obligations guaranteed by, the State or the United States of America;  
2 (ii) bonds, debentures, notes, or other evidences of indebtedness, satisfactory to the Agency,  
3 issued by any of the following federal agencies: Bank for Cooperatives, Federal Intermediate  
4 Credit Bank, Export-Import Bank of Washington, Federal Land Banks, or the Government  
5 National Mortgage Association; (iii) direct obligations of or obligations guaranteed by the State;  
6 (iv) mortgages insured or guaranteed by the United States of America or an instrumentality of it  
7 as to payment of principal and interest; (v) any other mortgages secured by real estate on which  
8 there is located a commercial structure, the collateral value of which shall be determined by the  
9 regulations issued from time to time by the Agency; (vi) certificates of deposit of banks or trust  
10 companies, including the trustee, organized under the laws of the United States or any state,  
11 which have a combined capital and surplus of at least fifteen million dollars (\$15,000,000); (vii)  
12 Bankers Acceptances; and (viii) commercial paper that has been classified for rating purposes by  
13 Dun & Bradstreet, Inc., as Prime-1 or by Standard & Poor's Corp. as A-1.

14 (e) The Agency may require as a condition of any loan to a lender such representations  
15 and warranties that it determines to be necessary to secure such loans and to carry out the  
16 purposes of this section.

17 **"§ 122F-9. Credit of State not pledged.**

18 Obligations issued under the provisions of this Chapter shall not be deemed to constitute a  
19 debt, liability, or obligation of the State or of any political subdivision thereof or a pledge of the  
20 faith and credit of the State or of any such political subdivision, but shall be payable solely from  
21 the revenues or assets of the Agency. Each obligation issued under this Chapter shall contain on  
22 the face thereof a statement to the effect that the Agency shall not be obligated to pay the same  
23 nor the interest thereon except from the revenues or assets pledged therefor and that neither the  
24 faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged  
25 to the payment of the principal of or the interest on such obligation.

26 Expenses incurred by the Agency in carrying out the provisions of this Chapter may be made  
27 payable from funds provided pursuant to this Chapter and no liability shall be incurred by the  
28 Agency hereunder beyond the extent to which moneys shall have been so provided.

29 **"§ 122F-10. Bonds and notes.**

30 The Agency is hereby authorized to provide for the issuance, at one time or from time to time,  
31 of bonds and notes of the Agency to carry out and effectuate its corporate purposes. The Agency  
32 also is hereby authorized to provide for the issuance, at one time or from time to time, of (i) bond  
33 anticipation notes in anticipation of the issuance of such bonds and (ii) construction loan notes  
34 to finance the making or purchase of mortgage loans, construction loans, and rehabilitation loans,  
35 for the construction, rehabilitation, or improvement of child care facilities. The total amount of  
36 bonds, bond anticipation notes, and construction loan notes outstanding at any one time shall not  
37 exceed twelve billion dollars (\$12,000,000,000) excluding therefrom any bond anticipation notes  
38 for the payment of which bonds have been issued. The principal of and the interest on such bonds  
39 or notes shall be payable solely from the funds herein provided for such payment. Any such notes  
40 may be made payable from the proceeds of bonds or renewal notes or, in the event bond or  
41 renewal note proceeds are not available, such notes may be paid from any available revenues or  
42 assets of the Agency. The bonds or notes of each issue shall be dated and may be made  
43 redeemable before maturity at the option of the Agency at such price or prices and under such  
44 terms and conditions as may be determined by the Agency. Any such bonds or notes shall bear  
45 interest at such rate or rates as may be determined by the Local Government Commission of  
46 North Carolina with the approval of the Agency. Notes shall mature at such time or times not  
47 exceeding 10 years from their date or dates and bonds shall mature at such time or times not  
48 exceeding 43 years from their date or dates, as may be determined by the Agency. The Agency  
49 shall determine the form and manner of execution of the bonds or notes, including any interest  
50 coupons to be attached thereto, and shall fix the denomination or denominations and the place or  
51 places of payment of principal and interest, which may be any bank or trust company within or

1 without the State. In case any officer whose signature or a facsimile of whose signature shall  
2 appear on any bonds or notes or coupons attached thereto shall cease to be such officer before  
3 the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient  
4 for all purposes the same as if that officer had remained in office until such delivery. The Agency  
5 may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The  
6 bonds or notes may be issued in coupon or in registered form, or both, as the Agency may  
7 determine, and provision may be made for the registration of any coupon bonds or notes as to  
8 principal alone and also as to both principal and interest, and for the reconversion into coupon  
9 bonds or notes of any bonds or notes registered as to both principal and interest, and for the  
10 interchange of registered and coupon bonds or notes. Upon the filing with the Local Government  
11 Commission of North Carolina of a resolution of the Agency requesting that its bonds and notes  
12 be sold, such bonds or notes may be sold in such manner, either at public or private sale, and for  
13 such price as the Commission shall determine to be for the best interest of the Agency and best  
14 effectuate the purposes of this Chapter, as long as the sale is approved by the Agency.

15 The proceeds of any bonds or notes shall be used solely for the purposes for which issued  
16 and shall be disbursed in such manner and under such restrictions, if any, as the Agency may  
17 provide in the resolution authorizing the issuance of such bonds or notes or in the trust agreement  
18 hereinafter mentioned securing the same.

19 Prior to the preparation of definitive bonds, the Agency may, under like restrictions, issue  
20 interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds  
21 when such bonds shall have been executed and are available for delivery. The Agency may also  
22 provide for the replacement of any bonds or notes which shall become mutilated or shall be  
23 destroyed or lost.

24 Bonds or notes may be issued under the provisions of this Chapter without obtaining, except  
25 as otherwise expressly provided in this Chapter, the consent of any department, division,  
26 commission, board, body, bureau, or agency of the State, and without any other proceedings or  
27 the happening of any conditions or things other than those proceedings, conditions, or things  
28 which are specifically required by this Chapter and the provisions of the resolution authorizing  
29 the issuance of such bonds or notes or the trust agreement securing the same.

30 **"§ 122F-11. Trust agreement or resolution.**

31 In the discretion of the Agency, any obligations issued under the provisions of this Chapter  
32 may be secured by a trust agreement by and between the Agency and a corporate trustee, which  
33 may be any trust company or bank having the powers of a trust company within or without the  
34 State. Such trust agreement or the resolution providing for the issuance of such obligations may  
35 pledge or assign all or any part of the revenues or assets of the Agency, including, without  
36 limitation, mortgage loans, construction loans, rehabilitation loans, mortgage loan commitments,  
37 contracts, agreements, and other security or investment obligations, the fees or charges made or  
38 received by the Agency, the moneys received in payment of loans and interest thereon, and any  
39 other moneys received or to be received by the Agency. Such trust agreement or resolution may  
40 contain such provisions for protecting and enforcing the rights and remedies of the holders of  
41 any such obligations as may be reasonable and proper and not in violation of law, including  
42 covenants setting forth the duties of the Agency in relation to the purposes to which obligation  
43 proceeds may be applied, the disposition or pledging of the revenues or assets of the Agency, the  
44 terms and conditions for the issuance of additional obligations, and the custody, safeguarding,  
45 and application of all moneys. It shall be lawful for any bank or trust company incorporated under  
46 the laws of the State which may act as depository of the proceeds of obligations, revenues, or  
47 other money hereunder to furnish such indemnifying bonds or to pledge such securities as may  
48 be required by the Agency. Any such trust agreement or resolution may set forth the rights and  
49 remedies of the holders of any obligations and of the trustee, and may restrict the individual right  
50 of action by any such holders. In addition to the foregoing, any such trust agreement or resolution  
51 may contain such other provisions as the Agency may deem reasonable and proper for the

1 security of the holders of any obligations. All expenses incurred in carrying out the provisions of  
2 such trust agreement or resolution may be paid from the revenues or assets pledged or assigned  
3 to the payment of the principal of and the interest on obligations or from any other funds available  
4 to the Agency.

5 **"§ 122F-12. Validity of any pledge.**

6 The pledge of any assets or revenues of the Agency to the payment of the principal of or the  
7 interest on any obligations of the Agency shall be valid and binding from the time when the  
8 pledge is made and any such assets or revenues shall immediately be subject to the lien of such  
9 pledge without any physical delivery thereof or further act, and the lien of any such pledge shall  
10 be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise  
11 against the Agency, irrespective of whether such parties have notice thereof. Nothing herein shall  
12 be construed to prohibit the Agency from selling any assets subject to any such pledge except to  
13 the extent that any such sale may be restricted by the trust agreement or resolution providing for  
14 the issuance of such obligations.

15 **"§ 122F-13. Trust funds.**

16 Notwithstanding any other provisions of law to the contrary, all moneys received pursuant to  
17 the authority of this Chapter shall be deemed to be trust funds to be held and applied solely as  
18 provided in this Chapter. The resolution authorizing any obligations or the trust agreement  
19 securing the same may provide that any of such moneys may be temporarily invested pending  
20 the disbursement thereof and shall provide that any officer with whom, or any bank or trust  
21 company with which, such moneys shall be deposited shall act as trustee of such moneys and  
22 shall hold and apply the same for the purposes hereof, subject to such regulations as this Chapter  
23 and such resolution or trust agreement may provide.

24 Any moneys received pursuant to the authority of this Chapter and any other moneys  
25 available to the Agency for investment may be invested:

- 26 (1) As provided in G.S. 159-30, except that for purposes of G.S. 159-30(b), the  
27 Agency may deposit moneys at interest in banks or trust companies outside as  
28 well as in this State, as long as any moneys at deposit outside this State are  
29 collateralized to the same extent and manner as if at deposit in this State.  
30 (2) In evidences of ownership of, or fractional undivided interests in, future  
31 interest and principal payments on either direct obligations of the United  
32 States government or obligations the principal of and the interest on which are  
33 guaranteed by the United States government, which obligations are held by a  
34 bank or trust company organized and existing under the laws of the United  
35 States of America or any state in the capacity of custodian.  
36 (3) In repurchase agreements with respect to (i) direct obligations of the United  
37 States government, (ii) obligations the principal of and the interest on which  
38 are guaranteed by the United States government, or (iii) obligations described  
39 in G.S. 159-30(c)(2), (3), (6), or (7), if all of the following conditions are met:  
40 a. The repurchase agreement is entered into with an institution whose  
41 ability to pay its unsecured long-term obligations (including, if the  
42 institution is an insurance company, its claims paying ability) is rated  
43 in one of the two highest ratings categories by a nationally recognized  
44 securities rating agency. If the term of the repurchase agreement is for  
45 a period of one year or less, however, the repurchase agreement may  
46 be entered into with an institution that does not have such a long-term  
47 rating if its ability to pay its unsecured short-term obligations is rated  
48 in one of the two highest ratings categories by a nationally recognized  
49 securities rating agency. If the institution with which the agreement is  
50 to be entered does not meet the ratings requirement of this  
51 subparagraph, the repurchase agreement may nevertheless be entered

1 into with the institution if the obligations of the institution under the  
2 repurchase agreement are fully guaranteed by another institution that  
3 does meet the ratings requirement of this sub-subdivision.

4 b. The repurchase agreement provides that it shall be terminated, without  
5 penalty, if the institution with which the repurchase agreement is  
6 entered or by whom the institution's obligations are guaranteed fails to  
7 maintain (i) in the event that the repurchase agreement was entered  
8 into in reliance upon the rating of the institution's long-term  
9 obligations, a rating of its long-term obligations in one of the three  
10 highest ratings categories by at least one nationally recognized  
11 securities rating agency, or (ii) in the event that the repurchase  
12 agreement was entered into in reliance upon the rating of the  
13 institution's short-term obligations, a rating of its short-term  
14 obligations in one of the two highest ratings categories by at least one  
15 nationally recognized securities rating agency. The repurchase  
16 agreement does not have to be terminated, however, if a new guarantor  
17 meeting the rating requirement set forth in sub-subdivision a. of this  
18 subdivision as the requirement necessary for the Agency to enter the  
19 repurchase agreement agrees to fully guarantee the obligations of the  
20 institution under the repurchase agreement.

21 c. The obligations that are subject to the repurchase agreement are  
22 delivered (in physical or in book entry form) to the Agency, or any  
23 financial institution serving either as trustee for obligations issued by  
24 the Agency or as fiscal agent for the Agency or the State Treasurer or  
25 are supported by a safekeeping receipt issued by a depository  
26 satisfactory to the Agency. The repurchase agreement must provide  
27 that the value of the underlying obligations shall be maintained at a  
28 current market value, calculated at least daily, of not less than one  
29 hundred percent (100%) of the repurchase price. The financial  
30 institution serving either as trustee or as fiscal agent for the Agency  
31 holding the obligations subject to the repurchase agreement hereunder  
32 or the depository issuing the safekeeping receipt shall not be the  
33 provider of the repurchase agreement.

34 d. A valid and perfected first security interest in the obligations which  
35 are the subject of the repurchase agreement has been granted to the  
36 Agency or its assignee or book entry procedures, conforming, to the  
37 extent practicable, with federal regulations and satisfactory to the  
38 Agency have been established for the benefit of the Agency or its  
39 assignee.

40 e. The securities are free and clear of any adverse third-party claims.

41 f. The repurchase agreement is in a form satisfactory to the Agency.

42 **"§ 122F-14. Remedies.**

43 Any holder of obligations issued under the provisions of this Chapter or any coupons  
44 appertaining thereto, and the trustee under any trust agreement or resolution authorizing the  
45 issuance of such obligations, except to the extent the rights herein given may be restricted by  
46 such trust agreement or resolution, may, either at law or in equity, by suit, action, mandamus or  
47 other proceeding, protect and enforce any and all rights under the laws of the State or granted  
48 hereunder or under such trust agreement or resolution, or under any other contract executed by  
49 the Agency pursuant to this Chapter, and may enforce and compel the performance of all duties  
50 required by this Chapter or by such trust agreement or resolution to be performed by the Agency  
51 or by any officer thereof.

1 **"§ 122F-15. Negotiable instruments.**

2 Notwithstanding any of the foregoing provisions of this Chapter or any recitals in any  
3 obligations issued under the provisions of this Chapter, all such obligations and interest coupons  
4 appertaining thereto shall be and are hereby made negotiable instruments under the laws of this  
5 State, subject only to any applicable provisions for registration.

6 **"§ 122F-16. Obligations eligible for investment.**

7 Obligations issued under the provisions of this Chapter are hereby made securities in which  
8 all public officers and public bodies of the State and its political subdivisions, all insurance  
9 companies, trust companies, banking associations, investment companies, executors,  
10 administrators, trustees, and other fiduciaries may properly and legally invest funds, including  
11 capital in their control or belonging to them. Such obligations are hereby made securities which  
12 may properly and legally be deposited with and received by any State or municipal officer or any  
13 agency or political subdivision of the State for any purpose for which the deposit of bonds, notes,  
14 or obligations of the State is now or may hereafter be authorized by law.

15 **"§ 122F-17. Refunding obligations.**

16 The Agency is hereby authorized to provide for the issuance of refunding obligations for the  
17 purpose of refunding any obligations then outstanding which shall have been issued under the  
18 provisions of this Chapter, including the payment of any redemption premium thereon and any  
19 interest accrued or to accrue to the date of redemption of such obligations and, if deemed  
20 advisable by the Agency, for any corporate purpose of the Agency. The issuance of such  
21 obligations, the maturities and other details thereof, the rights of the holders thereof, and the  
22 rights, duties, and obligations of the Agency in respect of the same shall be governed by the  
23 provisions of this Chapter which relate to the issuance of obligations, insofar as such provisions  
24 may be appropriate therefor.

25 Refunding obligations may be sold or exchanged for outstanding obligations issued under  
26 this Chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized  
27 purposes, to the purchase, redemption, or payment of such outstanding obligations. Pending the  
28 application of the proceeds of any such refunding obligations, with any other available funds, to  
29 the payment of the principal, accrued interest and any redemption premium on the obligations  
30 being refunded, and, if so provided or permitted in the resolution authorizing the issuance of such  
31 refunding obligations or in the trust agreement securing the same, to the payment of any interest  
32 on such refunding obligations and any expenses in connection with such refunding, such  
33 proceeds may be invested in direct obligations of, or obligations the principal of and the interest  
34 on which are unconditionally guaranteed by, the United States of America which shall mature or  
35 which shall be subject to redemption by the holders thereof, at the option of such holders, not  
36 later than the respective dates when the proceeds, together with the interest accruing thereon, will  
37 be required for the purposes intended.

38 **"§ 122F-18. Oversight by committees of General Assembly; annual report; audit;**  
39 **construction of Chapter.**

40 (a) Oversight. – The Finance Committee of the House of Representatives, the Finance  
41 Committee of the Senate, and the Joint Legislative Oversight Committee on Health and Human  
42 Services shall exercise continuing oversight of the Agency in order to assure that the Agency is  
43 effectively fulfilling its statutory purpose.

44 (b) Comprehensive Report. – The Agency shall, on or before February 15 of each year,  
45 submit an annual comprehensive report of its activities for the preceding year to the Governor,  
46 the Office of State Budget and Management, the State Auditor, the Local Government  
47 Commission, the Joint Legislative Oversight Committee on Health and Human Services, and the  
48 Fiscal Research Division. The comprehensive report required under this subsection shall include  
49 at least all of the following:

51 (2) The number and types of activities funded by the Agency.

1       (c)     Audit. – The Agency shall cause an audit of its books and accounts to be made at least  
2 once in each year by an independent certified public accountant and the cost thereof may be paid  
3 from any available moneys of the Agency.

4       (d)     Construction. – Nothing in this Chapter shall be construed as requiring the Agency to  
5 receive legislative approval for the exercise of any of the powers granted by this Chapter.

6 **"§ 122F-19. Officers not liable.**

7       No member or other officer of the Agency shall be subject to any personal liability or  
8 accountability by reason of his execution of any obligations or the issuance thereof.

9 **"§ 122F-20. Authorization to accept appropriated moneys.**

10       The Agency is authorized to accept such moneys as may be appropriated from time to time  
11 by the General Assembly for effectuating its corporate purposes including, without limitation,  
12 the payment of the initial expenses of administration and operation and the establishment of a  
13 reserve or contingency fund to be available for the payment of the principal of and the interest  
14 on any bonds or notes of the Agency.

15 **"§ 122F-21. Tax exemption.**

16       The exercise of the powers granted by this Chapter will be in all respects for the benefit of  
17 the people of the State, for their well-being and prosperity and for the improvement of their social  
18 and economic conditions, and the Agency shall not be required to pay any tax or assessment on  
19 any property owned by the Agency under the provisions of this Chapter or upon the income  
20 therefrom.

21       Any obligations issued by the Agency under the provisions of this Chapter shall at all times  
22 be free from taxation by the State or any local unit or political subdivision or other instrumentality  
23 of the State, excepting inheritance or gift taxes, income taxes on the gain from the transfer of the  
24 obligations, and franchise taxes. The interest on the obligations is not subject to taxation as  
25 income.

26 **"§ 122F-22. Conflict of interest.**

27       If any member, officer, or employee of the Agency shall be interested either directly or  
28 indirectly, or shall be an officer or employee of or have an ownership interest in any firm or  
29 corporation interested directly or indirectly in any contract with the Agency, including any loan  
30 to any sponsor, builder, or developer, such interest shall be disclosed to the Agency and shall be  
31 set forth in the minutes of the Agency, and the member, officer, or employee having such interest  
32 therein shall not participate on behalf of the Agency in the authorization of any such contract.

33 **"§ 122F-23. Additional method.**

34       The foregoing sections of this Chapter shall be deemed to provide an additional and  
35 alternative method for the doing of the things authorized thereby and shall be regarded as  
36 supplemental and additional to powers conferred by other laws, and shall not be regarded as in  
37 derogation of any powers now existing; provided, however, that the issuance of bonds or notes  
38 under the provisions of this Chapter need not comply with the requirements of any other law  
39 applicable to the issuance of bonds or notes.

40 **"§ 122F-24. Chapter liberally construed.**

41       This Chapter, being necessary for the prosperity of the State and its inhabitants, shall be  
42 liberally construed to effect the purposes thereof.

43 **"§ 122F-25. Inconsistent laws inapplicable.**

44       Insofar as the provisions of this Chapter are inconsistent with the provisions of any general  
45 or special laws, or parts thereof, the provisions of this Chapter shall be controlling."

47 subsection (a) of this section, the initial appointments to the North Carolina Child Care Finance
