25 **SECTION 1.1.(b)** G.S. 105-228.30 reads as rewritten:

26 "**§ 105-228.30. Imposition of excise tax; distribution of proceeds.**

27 (a) An excise tax is levied on each instrument by which any interest in real property is  
28 conveyed to another person. The tax rate is (i) one dollar (\$1.00) on each five hundred dollars  
29 (\$500.00) or fractional part thereof of the consideration or value of the interest conveyed up to  
30 five hundred thousand dollars (\$500,000) and (ii) one dollar (\$1.00) on each four hundred dollars  
31 (\$400.00) or fractional part thereof of any remaining consideration or value of the interest  
32 conveyed. The transferor must pay the tax to the register of deeds of the county in which the real  
33 estate is located before recording the instrument of conveyance. If the instrument transfers a  
34 parcel of real estate lying in two or more counties, however, the tax must be paid to the register  
35 of deeds of the county in which the greater part of the real estate with respect to value lies.

36 The excise tax on instruments imposed by this Article applies to timber deeds and contracts  
37 for the sale of standing timber to the same extent as if these deeds and contracts conveyed an  
38 interest in real property.

39 (b) The register of deeds of each county must remit the proceeds of the tax levied by this  
40 section to the county finance officer. The finance officer of each county must credit one-half of  
41 the proceeds of the tax levied at a rate of two-tenths of one percent (0.2%) to the county's general  
42 fund and remit the remaining ~~one-half of the~~ proceeds, less taxes refunded and the county's  
43 allowance for administrative expenses, to the Department of Revenue on a monthly basis. A  
44 county may retain two percent (2%) of the amount of tax proceeds of the tax levied at a rate of  
45 two-tenths of one percent (0.2%) allocated for remittance to the Department of Revenue as  
46 compensation for the county's cost in collecting and remitting the State's share of the tax. The  
47 Department of Revenue shall credit the funds remitted to the Department of Revenue under this  
48 subsection to the General Fund."

49 **SECTION 1.1.(c)** Offset by the increase of the excise tax, as provided in subsection  
50 (b) of this section, there is appropriated from the General Fund to the Housing Finance Agency  
51 the recurring sum of five million dollars (\$5,000,000) beginning in the 2026-2027 fiscal year to

1 be allocated to a Housing Innovation Office established by the Housing Finance Agency. The  
2 Housing Innovation Office shall use funds appropriated in this section for (i) administrative and  
3 operational costs and (ii) research and implementation of housing solutions, including technical  
4 assistance, grants, loans, and other measures designed to address the housing crisis by supporting  
5 the construction and maintenance of affordable, supportive, and sustainable homes and  
6 developing innovative funding models and building techniques.

7 **SECTION 1.1.(d)** Subsection (b) of this section becomes effective July 1, 2026, and  
8 applies to conveyances made on or after that date. Subsection (c) of this section becomes  
9 effective July 1, 2026. The remainder of this section is effective when it becomes law.

10 **SECTION 1.2.(a)** There is appropriated from the General Fund to the Housing Trust  
11 Fund established under G.S. 122E-3 the recurring sum of fifty million dollars (\$50,000,000)  
12 beginning with the 2026-2027 fiscal year to be used (i) for the purposes set forth in that statute  
13 and (ii) in the discretion of the Housing Finance Authority, for a program, using a competitive  
14 application process, to provide funds to local housing authorities, local housing trust funds, or  
15 other entities that have the primary purpose, and agree to use the funds for, loans, grants, or both  
16 for construction and maintenance of affordable housing units in the State. The Office shall  
17 develop an application process and detailed guidelines applicable to assistance derived from the  
18 funding provided in, and to accomplish the purposes of the program. Funding for the program is  
19 reserved for properties meeting all of the following requirements:

- 20 (1) Financial assistance to an area served by a local housing trust fund does not  
21 exceed two million dollars (\$2,000,000).
- 22 (2) The local housing trust fund contributes one dollar (\$1.00) of private funds  
23 for every dollar of assistance received from the Office.

24 **SECTION 1.2.(b)** Part 2 of Article 4 of Chapter 105 of the General Statutes is  
25 amended by adding a new section to read:

26 "**§ 105-153.12. Credit for housing trust fund donations.**

27 (a) Credit. – A taxpayer who makes a qualified contribution is allowed a credit against  
28 the tax imposed by this Part in an amount equal to thirty percent (30%) of the donation. For  
29 purposes of this section, a qualified contribution is a monetary donation (i) to the Housing Trust  
30 Fund established pursuant to G.S. 122E-3 in the Housing Finance Agency and (ii) for the  
31 construction, maintenance, or both of affordable housing.

32 (b) Reserved.

33 (c) Application. – To claim the credit provided in this section, an individual must file an  
34 application with the Secretary for the credit. The application must be filed on or before April 15  
35 of the year following the calendar year in which the qualified contribution was made. An  
36 application is effective for the year in which it is timely filed. The Secretary may not accept late  
37 applications under this subsection. The application must be on a form prescribed by the Secretary  
38 and include any information required by the Secretary demonstrating that the qualified  
39 contribution has met the conditions for the credit

40 (d) Substantiation. – An individual claiming a credit under this section must maintain and  
41 make available for inspection by the Secretary any records the Secretary considers necessary to  
42 determine and verify the amount of the credit to which the individual is entitled. The burden of  
43 proving eligibility for the credit and the amount of the credit rests upon the individual, and no  
44 credit may be allowed to an individual that fails to maintain adequate records or to make them  
45 available for inspection.

46 (e) Ceiling; Use Allocation. – The total aggregate amount of all credits allowed to  
47 taxpayers under this section for qualified contributions made in a taxable year may not exceed  
48 twenty million dollars (\$20,000,000). The Secretary shall, first, fully fund any prorated credits  
49 in accordance with subsection (f) of this section and, second, if funds remain after fully funding  
50 prorated credits, reopen the application period for credits under this section for which funds have  
51 become available. If the Secretary reopens the application period and notwithstanding the

1 application deadline in subsection (c) of this section, the additional applications must be filed  
2 with the Secretary on or before October 15 of the year following the calendar year in which the  
3 qualified contribution was made. The Secretary may not accept late additional applications  
4 permitted under this subsection. The Secretary's determinations based on additional applications  
5 timely filed in accordance with this subsection are final.

6 (f) Reduction. – The Secretary shall calculate the total amount of credits claimed from  
7 applications timely filed under subsection (c) of this section. If the total amount of credits claimed  
8 for qualified contributions made in a calendar year exceeds this maximum amount, the Secretary  
9 shall allow a portion of the credits claimed by allocating the maximum amount in credits in  
10 proportion to the size of the credit claimed by each taxpayer. If a credit claimed under this section  
11 is reduced as provided in this subsection, the Secretary shall notify the taxpayer of the amount of  
12 the reduction of the credit on or before December 31 of the year following the calendar year in  
13 which the qualified contribution was made. The Secretary's allocations based on applications  
14 filed under subsection (c) of this section are final and shall not be adjusted to account for credits  
15 applied for but not claimed.

16 (g) Limitation. – The credit allowed under this section may not exceed the amount of tax  
17 imposed by this Part for the taxable year reduced by the sum of all credits allowable, except tax  
18 payments made by or on behalf of the taxpayer.

19 (h) No double benefit. – A taxpayer who claims a credit under this section must add back  
20 to taxable income any amount deducted under the Code for the qualified contribution. A taxpayer  
21 who claims the credit allowed in this section may not, for the same qualified contribution, claim  
22 another credit allowed in this Part."

23 **SECTION 1.2.(c)** Subsection (a) of this section is effective July 1, 2026. Subsection  
24 (b) of this section is effective for taxable years beginning on or after January 1, 2026, and applies  
25 to qualified contributions made on or after that date. The remainder of this section is effective  
26 when it becomes law.
