(1) Automatic conversion. – All individuals holding valid natural hair care specialist licenses issued by the North Carolina Board of Cosmetic Art Examiners as of the effective date of this act shall automatically be deemed to hold the equivalent certified natural hair care specialist certificates under Chapter 88B of the General Statutes, as amended by this act, without further examination, application, fees, or additional qualification requirements. These certificates confer the title of "certified natural hair care specialist" but are not required to engage in natural hair care services. The Board shall prominently post on its publicly available website information about the exemption created by Section 1(m) of this act, the requirements for completion of the sanitation course necessary for exempt
